Recognizing the fact that parents not only have the right to freely decide the number and spacing of their children but also the responsibility of maintaining a balance between their family size and resources;

The House urges upon the Government to take all necessary steps in coordination with the Provincial Governments to bring down the rate of population growth to a sustainable level through intensive information campaigns and expansion of family planning services in the country.”

**The Resolution was deferred due to absence of the Member.**

Senator Mushtaq Ahmed moved the following resolution:-

“This House shows deep concern on the 10% reduction in the budget of Higher Education Commission during the current fiscal year as against the last fiscal year which coupled with 20% inflation and depreciation of Pakistani Currency increases to critical level.

The House deplores that as against the demand of Rs. 103 billion, later revised to Rs. 84 billion, made by the Universities Grants Commission for the current fiscal year the Government only allocated Rs. 59 billion which has resulted in financial crisis in the Universities.

The House recognizes that higher education is the right of every citizen and the provision of the same is the fundamental and constitutional responsibility of the State and the Government.

The House, therefore, demands that the Government should take immediate steps to provide Rs. 21 billion more to the HEC in order to enable the Universities to overcome their financial crisis.”
