- i. The House may discuss the grave situation arising out of the Coronavirus epidemic in Pakistan;
- ii. The House may discuss the Federal Government's policy on uniting the country at a time of serious emergency for Pakistan, and its implications on the democratic and constitutional governance of the Federation, including the role of Parliament and its ongoing efficacy in time of crisis;
- iii. The House may discuss to coordinate clear, consistent healthcare responses for saving lives across the Federation and international border crossings, with decisions based on transparent sharing of medical data amidst an alarming rise in the graph of Covid-19 cases;
- iv. The House may discuss to make clear policy on the emerging economic crisis arising from the impact of the pandemic on Pakistan's public finances, and renegotiation of debt, the re-allocation of resources and the provision of urgent relief to the most vulnerable sections of the population; and
- v. The House may discuss the impact of the virus on the national security and foreign policy of the country including regional tensions and the destabilisation of South Asia by the ongoing repression of the people of Indian held Kashmir and apartheid like conditions faced by Indian Muslims under the Modi regime.

DR. AKHTAR NAZIR
Secretary

Islamabad, the
13th May, 2020.
