**STATEMENT OF OBJECTS AND REASONS**

With the increasing population potential of women folk in the federal capital as well as keeping in view of our religious and social context, it is the need of an hour that a separate women university may be constituted in the federal capital also. The demand for a separate women university has been raised many times by the parents, particularly by the young girls to set up the already announced first women University of the ICT. The female students of various public schools, colleges and girls alike endorsed the fact that under graduate and postgraduate programmes offered at various existing varsities did not ensure gender parity which should be addressed by the quarters concerned. They said a number of girls remain deprived of higher education for not having separate university. On account of the urgency of this task, governments had also announced to establish first Women University in the Post Graduate College for Women, F-7/2. The university had been announced three times earlier by the previous governments but no development was made despite many assurances time and again. Through this bill the government can materialize its manifesto of providing easy and quality education to girls.

The bill has been designed to achieve the aforementioned purpose.
