*Question No. 75 **Senator Seemee Ezdi:**

(Notice Received on 15/03/2022 at 3:00 PM) QID: 39108

Will the Minister for Inter-Provincial Coordination be pleased to state whether there is any proposal under consideration for talent hunt program in sports followed by proper training and support to young athletes throughout the country, if so, details thereof?

Mr. Ehsaan-ur-Rehman Mazari: M/o sports has been devolved in the wake of 18th Constitutional Amendment and resources have been shifted to provinces under NFC Award. The province have now a handsome sports budget which can be utilized for establishing academies, nurseries and making sports mandatory in schools besides development of sports infrastructure. Despite limited resources, the Pakistan Sports Board is organizing training camps, providing foreign training to athletes, hiring the services of foreign qualified coaches and providing necessary financial

assistance. The provinces should play their role to prepare an athlete from grassroots level.

The NSFs are responsible for promotion of their respective sports disciplines in the country and to hunt talent at grass root level. The NSFs call for trials to the general public wherein equal opportunity is provided to all to show case their talent, besides the Universities and Educational Boards organize sporting events for hunting the talent.

Pakistan Sports Board provides all necessary administration technical and other assistance to its affiliated NSFs to carry out their activities which also includes proper training to young athletics.

***Question No. 141 Senator Bahramand Khan Tangi:**
(Notice Received on 3/03/2022 at 9:41 AM) QID: 39047

Will the Minister for Communications be pleased to state whether it is a fact that GT road from Peshawar to Islamabad is in dilapidated condition and the safety fence along the road is broken at various places, if so, the steps taken for repair & maintenance of the road and safety fence?

Mr. Asad Mahmood: Peshawar to Attock :-

The Grand Trunk Road, also Known as National Highway N-5, which is 1756 Km long 4-Lane National Highway. The G.T road traverses from Karachi passes through major cities of Thatta, Hyderabad, Sukkar, Rahim Yar Khan, Bahawalpur, Multan Lahore, Rawalpindi, Khairabad, Nowshera, Pabbi, Peshawar, and end up at Torkham Border. The Section of National Highway N-5 from Km: 1630+000 (Khairabad) to Km: 1692 (Peshawar) falls under North Region.

(a) **The Detail of Various Planned/Executed Maintenance Activities on Grand Trunk Road N-5 from Km: 1630+000-1692+000 (62 Km) are as under: -**

- (i) The road section between Khairbad-Peshawar 4-lane (dual) carriageway having length of 62 KM is being maintained by Maintenance Unit Peshawar. NHA is maintaining the said section through various maintenance activities, the details are as under: -
- (ii) 5.30 Km of North Bound Carriageway (NBC) section from Azakhel to Nasir Kaly has been improved under Annual Maintenance Plan AMP 2015-16.
- (iii) 5.60 Km of South Bound Carriageway (SBC) section from Cherat Chowk to Aurangabad has been improved under Annual Maintenance Plan AMP 2015-16.
- (iv) 8.5 Km of South Bound Carriageway (SBC) section from Akora-Jehangira & Wattar to Hakimabad has been improved under Annual Maintenance Plan AMP 2016-17.

- (v) 7.50 Km of North Bound Carriageway (NBC) from **Shaidu to Hakimabad** is being Improved under Annual Maintenance Plan AMP 2018-19.
- (vi) 7 Km of North Bound Carriageway (NBC) section from **Tarru to Jhagra** has been taken under Annual Maintenance Plan AMP 2018-19. Letter of commencement has been issued to contractor, however due to present price hikes in the construction material throughout the country, the contractor did not mobilize on site. Subsequently the contract has been terminated and put up for Re-Tendering.
- (vii) 8 Km of North Bound Carriageway (NBC) section from **Khairabad to Shaidu** has been taken under Annual Maintenance Plan AMP 2019-20. The tender is in procurement stage at regional office, Peshawar and shall be commence shortly.
- (viii) 3 Km of North Bound Carriageway (NBC) section from **Hakimabad to Nowshera** and 4 Km of South Bound Carriageway from **Nowshera to Khat Kaly** has been taken under Annual Maintenance Plan AMP 2019-20. The tender is in procurement stage at Regional office, Peshawar and shall be commence shortly.
- (ix) 15.4 Km of South Bound Carriageway (SBC) section from **Khat Kahl to Pabbi** has been taken under taken under Annual Maintenance Plan AMP 2020-21. Technical sanction of the tender has been conveyed and tender has been put up for the finalization of procurement process.
- (x) 1.50 Km road section on South Bound Carriageway (SBC) from **LRBT to Akora Khattak** has recently been improved through special maintenance scheme approved under AMP 2018-19. In addition to above 3x other Special maintenance schemes (Structural overlay) are also under progress on SBC from **Tarru to Jhagra** section to improve the remaining road section.

- (xi) In addition to above, 5x Routine maintenance works under AMP 2019-20 from Khairabad-Peshawar are also under progress to maintain the carriageway trafficable/potholes free.
- (xii) Furthermore, highway safety maintenance works for the installation of Guard rail at high embankment to safeguard the vehicles from damages, installation of traffic road signboards for educating the road users and refreshing of pavement marking TP for the better visibility during night time travelling have also been undertaken recently from Khairabad-Nowshera section in order to reduce the chances of fatal accidents.
- (xiii) It is apprised that through execution of above mentioned schemes; 75 Km road section out of 124 Km (Dualized road) shall be improved by end of June, 2022 and the remaining 49 Kms are being regularly maintained through Routine maintenance contracts which are also in trafficable condition.

Furthermore, the safety fence have been installed at 3x location b/w Khairabad-Peshawar section of G.T road N-5, Pabbi Bazar, Akora Khattak and Jehangira Bazar. It is pertinent to mention here that Maintenance Unit, Peshawar has time and again repaired/re-installed the damaged Grill fencing through routine maintenance contractors, however damaging of steel grill fencing at aforementioned location are the common phenomenon, as the locals of the area and motorbike commuters damaged the safety fence for the easy access to their destination. It is further added that the safety fence at Pabbi and Akora Bazar have recently been repaired/reinstalled through a special maintenance contract and an Engineer's estimate for the Jehangira Bazar has been furnished by the field formation and under process of approval. The damaged/missing safety fence at Jehangira Bazar shall be repaired/reinstalled after approval of the Engineer's estimate, please.

Attock to Rawalpindi:

It is apprised that GT Road, N-5 from Rawalpindi to Attock (Punjab-North jurisdiction) has been improved in 2011 under National Highway Improvement Programme (NHIP). The road has outlived its design service life and required complete rehabilitation which involves massive allocation of funds & other recourses thus; cannot be undertaken in one go. Therefore keeping in view of available resources, NHA is trying its best to keep the road trafficable through different maintenance schemes *i.e* Periodic Maintenance, Special Maintenance and Routine Maintenance. However; the development of potholes, patches, etc is a routine matter which are being attended through Routine Maintenance work to keep it trafficable.

However, safety fence along the N-5 is not installed as it is not a controlled access road.
