Pakistan has a 905 km border with Iran and has three Border Check posts (BCPs) i.e Taftan and Gabd-Reemdan (BP-250) and Mand-Pishin. However, at present Taftan and Gabd-Reemdan are only operational for the facilitation of Zaireens who intend to proceed to Iran. Law Enforcement Agencies i.e, Police & Levies are responsible for providing security to Zaireen whereas FIA Balochistan is providing immigration facilities.

Facilities provide by FIA Immigration along Pak-Iran Border:

Taftan is the major crossing point along Pak-Iran border. FIA Immigration at Taftan has always facilitated all types of pedestrians specifically Zaireen till date. FIA is operating with 10 counters each at arrival and departure. Furthermore, there is an accommodation facility at Pakistan house managed by Local administration where Zaireen can stay.

Gabd- Reemdan

FIA Immigration at BP-250 has been made operational since 19-12-2020. However, during Covid 19 this check post remained closed for pedestrian movement including Zaireen, however, immigration process has been restarted since the start 2022.
