SECRETARY

Islamabad, the 22nd December, 2014

SUBJECT: UNANIMOUSLY PASSED RESOLUTION OF THE SENATE OF PAKISTAN

The Senate in its sitting held on 19th December, 2014 unanimously passed following Resolution:

“The Senate of Pakistan resolves as under:-

Declares the willful, inhuman, barbaric and gruesome murder of innocent school children on December 16 2014, the responsibility for which has already been claimed by the TTP, as most barbaric, atrocious, inhuman, horrifying and shocking.

Declares the Peshawar incident of 16th Dec, 2014, to be a grave national tragedy.

Believes that the assault is in fact an attack on the State and Society of Pakistan and its future.

Recalls that, in the past also the TTP and other banned militant organizations have targeted civilians, armed forces, police, law enforcing agencies and intelligence agencies. In Peshawar they targeted the future of the country by seeking to instill fear to prevent children from seeking education.

Condemns this brutal, monstrous and willful murder of our youth.

States that this attack will not weaken the resolve of the nation to fight the militants to the finish. If anything it has strengthened national resolve to fight the TTP, the militants and their sympathizers and apologists.

Expresses abhorrence of all those who by acting, wittingly or unwittingly, as apologists of the militants for misleading the nation and weakening its resolve.

Calls upon the people to unite in this hour of national grief and mourning,

Calls upon all the stakeholders and the people to be conceptually clear and implement in letter and spirit the vision of Pakistan as articulated by the Quaid-e-Azam Mohammad Ali Jinnah in his August 11, 1947 address.

Recognizes that the militants are posing existential threat to Pakistan and therefore there is need for ideological and strategic clarity and complete unity.

Reaffirms that, the antithesis of terrorism, sectarianism and religious extremism is a strong, viable and delivering democracy functioning under the Constitution of 1973.

Expresses its profound grief, sorrow and dismay over the Peshawar incident.

Extends its deepest sympathies to the families of the bereaved in the Peshawar incident of 16th Dec, 2014, and the Federation stands by them in their this hour of grief.

Resolves to fight till the last drop of our blood and destroy the TTP and the militants to preserve, protect and defend the Pakistani way of life”.

2. All the Ministries, Departments, Agencies of the Government may please take such action as may be required in the light of the Resolution. The Ministry of Interior may submit a consolidated report about the action taken within a period of two months as required under Rules.
