

RESOLUTION

"This House condemns the recent disturbing pattern of provocative and hostile statement from Indian Leaders including threatening strikes against Pakistan territory. Such crude attempts by India at trying to bully and browbeat Pakistan are unacceptable and Pakistan rejects this hegemonic mindset.

This House wishes to emphasize that Pakistan will never allow its territory to be violated by India under any pretext. The Pakistan Armed Forces are fully capable to give a befitting response to any incursion, and Pakistani people stand shoulder to shoulder with their armed forces.

Such statements confirm Pakistan's apprehensions about India's intention to destabilize Pakistan.

This House urges the international community to take note of such provocative statements which negatively impact on the prospects for regional peace, sovereignty and stability.

At a time when the entire Pakistani nation particularly the Armed Forces are engaged in a battle against terrorism, Indian provocations are not only undermining Pakistan's anti-terror campaign but are actually ending up aiding and abetting the terrorist fighting against Pakistan."
