RESOLUTION NO. 213

"The Senate of Pakistan warmly welcomes the raising, for the first time, of the flag of Palestine at the United Nations Headquarters. This is a great political and diplomatic victory of the people of Palestine and all those who have supported this just cause.

The people of Palestine have been struggling since 1947 for their inalienable rights which have been willfully denied by Israeli occupation. As Pakistan has been in the forefront of supporting the cause of the Palestinian people throughout the past decades, the Senate of Pakistan, reflecting the popular sentiments of the people of Pakistan, warmly welcomes this historic development.

Sharing in the joys of the Palestinian people, the Senate of Pakistan resolves to reaffirm its unwavering commitment to continue supporting the Palestinian cause till the United Nations resolutions are fully implemented and the people of Palestine are able to live in a free and independent state of Palestine.”.
