### **STATEMENT OF OBJECTS AND REASONS**

The Majlis-e-Shoora (Parliament) enacted the Members of Parliament (Salaries and Allowances) Act, 1974. Since then, amendments have been made to enhance salaries and allowances of the Members. But it has been felt that no substantial increase in allowances and other benefits of the Members has been made so far, especially to cater for increased travelling costs. Resultantly, the facilities provided to a Member are not sufficient to meet the expenditures incurred. Similarly, it disturbs the smooth working of the Parliament and its committees. The tickets with which a Member is provided is an explicit privilege duly covered in the Members of Parliament (Salaries and Allowances) Act, 1974. The suspension of the PIA flights on few sectors has given rise to this issue whereby a few Members have been deprived of their entitlement which in turn has created discrimination. This amendment is therefore required to address the same. Hence, it is desirable to amend the said Act.

This Bill is designed to achieve above objective.
