RESOLUTION

1. Mr. Ali Muhammad Khan, Minister of State for Parliamentary Affairs, moved the following resolution:-

“The Senate of Pakistan on the Solidarity Day with the Kashmiris is reflecting the sentiments of the people of Pakistan, salutes the heroism and the valour of the people of Indian illegally occupied Jammu and Kashmir (IIOJK).

On this day of solidarity with the Kashmiri people, resolutely rejects the Indian illegal and unilateral actions of August 5, 2019 and demands the Government of India to reverse and revoke the illegal and unilateral steps of August 5, 2019, which are a gross violation of all UN Resolutions on Jammu and Kashmir.

Firmly, condemns the unabated Indian human rights violations, war crimes and violations of International humanitarian law in the Indian Illegally Occupied Jammu and Kashmir. Ever since August 5, 2019, hundreds of innocent Kashmiris have been martyred, arbitrarily arrested or rounded up under trumped-up charges.

Warns India that even the worst form of state-terrorism will not break the will of Kashmiri people or crush their legitimate struggle which is popular, spontaneous, widespread and indigenous. Demands that the Prime Minister Modi and his RSS fascist organization, who have unleashed a reign of terror on the defenceless people of Indian Illegally Occupied Jammu and Kashmir (IIOJK) and have been involved

in unspeakable atrocities, be held accountable for their crimes against humanity.

Calls upon the Government of India to stop extra-judicial killings of Kashmiri youth in fake encounters and cordon and search operations. Denounces the illegal Indian measures to change the demographic structure of the occupied territory and the efforts to peddle a facade of normalcy and demands immediate release of all political prisoners in Indian occupied Jammu and Kashmir (IIOJK).

Demands that the international community take note of India's belligerence, intransience and brazen persistence of cruelty against the Kashmiri people, including the danger of genocide which is now documented internationally. Expects that the international community takes cognizance and action against India's gross and widespread human rights violations in Indian occupied Jammu and Kashmir (IIOJK) as well as it is open repudiation of United Nation Resolutions.

Reassures our Kashmiri brothers and sisters that the people, Government and Parliament of Pakistan will always stand firm with their Kashmiri brothers and sisters in their just struggle until the Resolution of this dispute according to the wishes of the Kashmiri people and as per the relevant United National Security Council Resolutions;

and The Senate of Pakistan reiterates its support to the people of Kashmir in their just struggle for their inalienable right to self-determination every step of the Day."

The Resolution was passed unanimously.

At 1:05 p.m. the Chairman adjourned the proceedings of the House to meet again on Friday, the 7th February, 2022, at 3:00 p.m.
