Statement of Objects and Reasons

The Law and Justice Division has administrative control of the Law and Justice Commission Ordinance, 1979, courts and tribunals in respect of Federal areas and the offices of the Attorney General and other law officers of the Federation. The mandate of Legal Aid and Justice Authority (LAJA) is also consonance with the business allocated to the Law and Justice Division under the Rules of Business, 1973. It would be more appropriate and in the best public interest to shift administrative control of the Legal Aid and Justice Authority (LAJA) from Ministry of Human Rights to the Ministry of Law and Justice, the institutional linkages of the Ministry of Law and Justice with other Law Officers and Commissions of the Federation that are under the administrative control of Law and Justice Division and with Bar Councils and Associations will enable LAJA to fulfil its mandate more effectively.

The Bill is designed to achieve the said object.
