يَفْسُقُونَ

تو ترجمہ ہے آپ فرمادیجئے دیکھو تو (ذرا اتنا تو سوچو) کہ اگر اللہ تعالیٰ تمہارے کان اور آنکھیں ہمیں دے (تمہاری شنوائی، بنیائی اور اوراد و دعا و مدرکات سلب کرے) اور تمہارے دلوں پر مہر لگا دے تو اللہ کے سوا کون ایسا معبود ہے جو تم کو یہ چیزیں (یہ صلاحیتیں و پس انداز دے۔ دیکھو ہم کس کس طرح سے انہی آیتیں بیان کرتے ہیں) دیکھی کسی مثالوں سے انہیں نکتہ توحید سمجھاتے ہیں) بھر بھی وہ روگردانی کرتے ہاتھ ہیں۔ ان پر توجہ نہیں کرتے)

آپ! ان کافروں سے! کیسے دیکھو تو اگر تم پر اللہ کا عذاب اجانک آجائے اگر تم کو اس کی خبر بھی نہ ہو! یا حکم کھلا (کوئی آفت آپڑے) تو ظالموں کے سوا کون ہلاک کیا جائے گا! کیا یہ مناسب نہیں کہ تم اس عذاب سے قبل ہی توبہ کرو تا کہ اس سے بچ جاؤ!

اور ہم نے رسولوں کو صرف اس لیے بھیجا کہ (نیک عمل کرنے والوں کو) خوشخبری سنائیں اور (نافرانوں کو عذاب الہی سے) ڈرائیں، پھر جو ایمان لایا اور اصلاح کر لی تو وہ سنو گیا، تصویر صالح پر قائم ہو گیا! ایسے لوگوں کو نہ تو خوف ہو گا اور نہ وہ تلگین ہوں گے (یہاں توفیق الہی ان کے شامل حال رہے گی وہاں ہر خوف و غم سے وہ مامون ہوں گے)

اور جنہوں نے ہماری آیتوں کو جھٹلایا، ان کو عذاب پہنچے گا اس وجہ سے کہ وہ نافرمانی کرتے تھے۔

QUESTIONS AND ANSWERS

Mr. Deputy Chairman: The question and answers are already laid on the table of the House which may be taken as read for today's business.

PROCEDURE OF SELECTION OF VILLAGE FOR ELECTRIFICATION

91. ***Mr. Shad Muhammad Khan:** Will the Minister for Water and Power be pleased to state:

(a) whether there has been any change in the criteria of selection of villages in Punjab Province for electrification the information about which was furnished to the House as per Annexure-I to reply of the question No. 140 orally asked in the House on 11th August, 1988, if so, its detail;

(b) whether it is a fact that Villages Singyal, Akhnoor, Dingay, Jarwal and Lasso Chak, Tehsil Passror, District Sialkot have already been electrified; and

(c) whether despite the fact that feeder passes through Village Balad pur it has not been electrified, if so, its reasons and the time required to electrify the village?

Mr. Farooq Ahmed Khan Leghari: (a) Yes. Criteria for the selection of villages is attached at Annexure I.

(b) Yes.

(c) 11 K.V. Sugar Mills feeder passes through the Village Balad Pur.

Recommendations for village electrification are being received from MNAs/MPAs public representative. The recommendation are considered in accordance with the prescribed criteria, and the villages meeting the criteria will be considered for electrification.

Annexure I

CRITERIA FOR SELECTION OF VILLAGES

Punjab Province

(a) All those *Mauzas* having population equal to or more than 200 and which are within a distance of 6 Km. from the existing 11 KV lines will be selected for electrification.

(b) The priority for the selection of *Mauza* will be fixed in the order of population of distance ratio. *Mauzas* with a higher population to distance ratio to be placed higher amongst the merit list of candidate *Mauzas* for electrification.

(c) Any settlement within a distance of 1 Km. from the proposed 11 KV line to the selected *Mauza* and having population of 200 or more shall automatically become eligible for electrification with the same priority as the selected *Mauza*.

(d) If 90 per cent target of *Mauzas* is not achieved under the conditions as mentioned in para (a) and (c) above, then the remaining number of *Mauzas* will be electrified in order of merit of their respective population to distance ratios.

Sindh Province

(a) All those Dehs having population equal to 200 or more and which are within a distance of 6 Km. from the existing 11 KV lines will be selected for electrification.

(b) The priority for the selection of Deh shall be fixed in the order of population to distance ratio. Dehs with a higher population to distance ratio to be placed higher amongst the merit list of candidate Deh for electrification.

(c) Any settlement within a distance of 1 Km. from the proposed 11 KV lines to the selected *Mauza* and having a population of 200 or more shall automatically become eligible for electrification with the same priority as the selected Deh.

(d) If 90 per cent target of Dehs is not covered under the conditions as mentioned in paras (a) & (c) above, then remaining number of Dehs will be electrified in the order of merit of their respective population to distance ratio.

NWFP and Baluchistan Provinces and FATA

The sole criteria for the selection of *Mauzas* in the Provinces of NWFP

[Mr. Farooq Ahmed Khan Leghari]

and Baluchistan and FATA will be based on population to distance ratio. *Mauzas* with a higher population to distance ratio will be electrified first in order to merit till 90 per cent target is achieved. Any settlement within a distance of 1 KM from the proposed 11 KV line to the selected *Mauza* shall automatically become eligible for electrification with the same priority rating as the selected village.

IMPACT OF PETROLEUM PRODUCTS

92. *Mr. Muhammad Mohsin Siddiqui: Will the Minister for Petroleum and Natural Resources be pleased to state:

- (a) the total value of various petroleum product imported during the year 1988-89;
- (b) the names of the countries of import and the total foreign exchange spent; and
- (c) whether C&F value paid for the above products was competitive, if not, its reasons?

Mr. Jehangir Badar: (a) US dollar 569.48 million (C&F Value).

- (b) (i) Kuwait.
- (ii) US dollar 569.48 million.
- (c) Yes

ENVIRONMENTAL POLLUTION

93. *Mr. Muhammad Mohsin Siddiqui: Will the Minister for Housing and Works be pleased to state:

- (a) the steps taken by the Government to check the environmental pollution;
- (b) whether the Government has conducted any survey to assess the quantum of damage being caused by the environmental pollution; and if so.
- (c) the number of reports prepared by the Environment and Urban Affairs Division so far and action taken on them?

Mr. Muhammad Hanif Khan: (a) The following steps have been taken by the Government to check the environmental pollution:

- The Pakistan Environmental Protection Ordinance, 1983 has been promulgated throughout Pakistan.
- Environmental Protection Agencies at Federal and Provincial level have been established.
- Environmental Quality Control Emission Standards for industrial gaseous emissions/Municipal and liquid effluents, have been framed and disseminated for adoption both by Public and Private Sector industries.
- Environmental Impact Assessment of the public sector development

projects have been introduced at the planning stage.

- quality control standards for motor vehicle exhausts and noise are being framed.
- environmental awareness is being created.
- national conservation strategy is being developed.
- coastal environmental management plan is being prepared.

(b) Yes.

(c) Three. These are being used for policy formulation.

SUPPLY OF SUI GAS

94. *Mr. Muhammad Mohsin Siddiqui: Will the Minister for Petroleum and Natural Resources be pleased to state :

(a) the names of villages towns and cities which were provided Sui Gas during the last financial year :

(b) the names of villages, towns and cities which will be provided Sui Gas during the current financial year ; and

(c) the procedure followed in fixing priorities in these cases ?

Mr. Jehangir Badar: (a) No new village, town or city has been provided gas during the last financial year.

(b) During the current financial year, gas is planned to be supplied to Abbottabad and Mansehra. In addition, a master plan for supply of gas to 117 new towns is under the consideration of the Government. After the approval of over a period of 7 years. Names of towns to be covered to be connected over a period of 7 years. Names of towns to be covered in the current financial year will be selected after the approval of the project.

(c) The criteria proposed to the Government for the master plan is as follows :

Punjab.—All the towns falling within a distance of 0—5 KM may be connected in the initial 3 years ; those located within a distance of 5—20 KM in the subsequent 2 years and the remaining towns in the 6th and 7th year on the basis of its population.

Sindh.—All the town falling within a distance of 0—5 KM may be connected in the initial 2 years ; those falling within a distance of 5—20 KM in the subsequent 3 years and the remaining towns in the 6th and 7th year on the basis of its population .

NWFP.—All the towns falling within a distance of 0—20 KM may be connected in the initial 3 years and those falling within 20—50 KM in the subsequent 2 years on the basis of its population.

Baluchistan.—All the 6 towns may be connected in the initial 3 years in order of majority of population.

[Dr. Bisharat Elahi]

SUPPLY OF ELECTRIC METERS

95. ***Dr. Bisharat Elahi:** Will the Minister for Water and Power be pleased to refer to the Senate starred question No. 77 replied on 26-7-1989 and state the number of electric poles erected and the names of the persons provided within electric meters so far?

Mr. Farooq Ahmad Khan Leghari: The information is being collected and will be placed on the table of the House in the next rota day allotted for the Ministry.

ELECTRIFICATION OF VILLAGE

96. ***Dr. Bisharat Elahi:** Will the Minister for Water and Power be pleased to refer to Senate starred question No. 57 orally answered in the House on 1st April, 1989 and state whether the Government has revised the policy for electrification of villages; if so, the time by which village Kotla, Tehsil Haripur Hazara will be electrified?

Mr. Farooq Ahmad Khan Leghari: Yes, the distance criteria was revised and in the case of NWFP the population to distance ratio is the basis for consideration for approval of electrification of villages. In case of Punjab and Sindh distance criteria is 6 K.M. from 11 K.V. Line.

Village Kotla and adjoining abadies are spread over an area of 3 K.M. in length and although the nearest point to 11 K.V. line is 0.9 K.M. from Islamabad Region, the village itself is situated in NWFP 10 K.M. away from the existing line. The electrification of this village will be considered in due course of time considering the existing criteria.

ELECTRIFICATION OF VILLAGE

97. ***Akhunzada Bahrawar Saeed:** Will the Minister for Water and Power be pleased to refer to the National Assembly question No. 438 replied on 20th June, 1989 and state whether the competent authority has approved the electrification of the relevant villages; if not the reasons thereof?

Reply not received

SAINDAK COPPER-GOLD PROJECT

98. ***Syed Faseih Iqbal:** Will the Minister for Petroleum and Natural Resources be pleased to state:

- (a) the present statute of the Saindak Copper-Gold Project; and
- (b) whether it is a fact that an agreement was signed between R.D.C. and the Chinese Company in October, 1988, if so, the reasons for not starting the work on the project?

Mr. Jehangir Badar: (a) The Revised PC-I of Saindak Copper-Gold Project based on the proposal of China Metallurgical Construction Corporation (MCC) was considered by CDWP on 1st June, 1989 and recommended for submission to ECNEC. The Project is expected to come up for consideration at the next meeting of the ECNEC.

(b) Yes. The scope of the agreement is however, limited. It covers the Chinese commitment to the quoted price of the Project and the amount and terms of suppliers credit they can offer. For project construction the detailed contract

is being negotiated between Resource Development Corporation (RDC) and the MCC. Difficulties are being faced in the finalization of the contract due to unacceptable positions taken by MCC on some vital issues. Work on the project shall start on Project's approval by ECNEC and signing of contract between RDC and MCC.

ELECTRIFICATION OF VILLAGES

99. ***Mr. Shad Muhammad Khan:** Will the Minister for Water and Power be pleased to state ;

(a) number of applications recommended by Senators and presently pending for electrification of villages ;

(b) the reasons for not giving priority to pending applications ; and

(c) the time by which, they will be disposed off and villages electrified ?

Mr. Farooq Ahmed Khan Leghari: (a) No application recommended by Senators is presently pending with the Ministry of Water and Power.

(b) * (c) Not applicable in view of reply to part (a) above.

ELECTRIFICATION OF VILLAGES

100. ***Mian Alam Ali Laleka:** Will the Minister for Water and Power be pleased to refer to Senate starred question No. 82, replied on 26th July, 1989 and state the action taken on the Zila Council, Jhelum Endst. No. 809294/HC (G) dated 13-11-1982, wherein village Nirkhian and other villages were recommended for electrification under village electrification programme for the year 1982-83 ?

Mr. Farooq Ahmed Khan Leghari: Village Nirkhian, District Jhelum was not included in the approved villages list received from Government of Punjab for 1982-83.

SUPPLY OF ELECTRICITY

101. ***Mian Alam Ali Laleka:** Will the Minister for Water and Power be pleased to refer to Senate starred question No. 50, replied on 1st April, 1989 and state:

(a) number of electric connections provided against pending applications ;

(b) the names of the applicants of Morgah village (main abadi) whose applications are pending for electric connections, with reasons, separately in each case, and the time by which the connections will be provided to the said applicants; and

(c) whether it is a fact that M/s Abdul Jabbar, Abdul Ghafar and Abdul Sattar of Morgah village applied for electric connections for their interlinked houses but only Abdul Jabbar was given connection whereas the request of other applicants was turned down, if so, its reasons and when their houses will be electrified ?

Mr. Farooq Ahmed Khan Leghari: (a) 212 out of 290 applications. 78 applications were cancelled due to non-payment of demand notices.

(b) Connections against 12 applications received during the period March to July, 1989 is being provided to one applicant at S. No. 12 (Annexure I). 11

[Mr. Farooq Ahmed Khan Leghari]

applications were cancelled due to non-payment against demand notices.

(c) M/s. Abdul Jabbar, Abdul Ghaffar and Abdul Sattar of Village Morgah applied for domestic connections *vide* applications No. 129/I A-1, 130/A-I and 131/A-I all, dated 23rd February, 1986. These three connections are interlinked in a series of five (5) of which the first two are already existing. Connections to Mr. Abdul Jabbar was installed on 29th June, 1987 being the third in series of service to service connections. The remaining two applications were cancelled because their position stood at 4th and 5th service connection which is not permissible.

Annexure-I

PARTICULARS OF APPLICANTS TO WHOM ELECTRIC CONNECTIONS HAVE NOT BEEN PROVIDED

S. No.	Date of application				Name of applicant
1.	4-3-1989	..	..	..	Safdar Hussain
2.	15-3-1989	..	..	..	Abdul Ghaffar
3.	15-3-1989	..	..	..	Abdul Sattar
4.	6-4-1989	..	..	..	Maqsood Ali
5.	9-4-1989	..	..	..	Abdul Rehman
6.	9-4-1989	..	..	..	Mehmood Akhtar
7.	9-4-1989	..	..	..	Muhammad Ayub
8.	9-4-1989	..	..	..	Muhammad Azeem
9.	11-4-1989	..	..	..	Shah Mohammad
10.	20-4-1989	..	..	..	Muhammad Arif
11.	15-5-1989	..	..	..	Suleman Khan
12.	10-7-1989	..	..	..	Faujdan Khan (Demand notice issued to Faujdar Khan on 7-9-1989)

SUPPLY OF SUI GAS

102. *Syed Iftikhar Ali Bokhari: Will the Minister for Petroleum and Natural Resources be pleased to state whether it is a fact that the main Sui gas pipeline is passing through a distance of 15 km from Jhang Sadder if so, whether there is any proposal to provide Sui gas to Jhang city, if not, is reasons ?

Mr. Jehangir Badar: No. The gas transmission pipeline is passing at a distance of about 36 K.M. from Jhang City. There are no immediate plans for supply of gas to Jhang. Besides, it does not fall within the parameters of master plan which envisages supply of gas to towns/cities located within 30 K.M. from the main pipeline.

SAVER

103. *Syed Faseih Iqbal: Will the Minister for Culture, Sports and Tourism

be pleased to state :

- (a) the status and object for the Establishment of SAVER ;
- (b) the names and other particulars of the members of its board of governors ;
- (c) the representations if any, given to elected representatives in the said board ; and

Agha Tariq Khan: (a) SAVER — which stands for Sports Association for promotion of Sports and Veterans Rehabilitation — refers to the administrative arrangements under the SAF Games Sectt. to generate funds with the following objectives :-

- (i) to promote sports in the country ;
- (ii) to rehabilitate old veterans and their families who had in the past earned a name in the sports for the country but now they are living an improverished life.
- (b) There is no formal board of governors of SAVER but the names of officials who are looking after SAVER are as under :-

1. Lt. Gen. Muhammad Aslam Mirza	..	Chairman
2. Maj. Gen. Muhammad Rashid Beg.	..	Secretary General.
3. Brig. Lal Zamurad		Organizing Secretary.
4. Brig. Ali Jawahar		Secretary Finance.
5. Mr. Tahir A. Khan		Associate Secretary General

(c) ———Nil————

(d) So far four draws have been completed upto 15th September, 1989. Following income/expenditure has accrued through these draws :—

(i) Income :

						Rs.
1st Draw	..	..	..	..	..	2,50,50,000
2nd Draw	..	..	..	..	..	6,83,94,650
3rd Draw	..	..	..	..	..	10,23,89,040
4th Draw	..	..	..	..	..	16,92,00,000
Total						36,50,33,690

[Agha Tariq Khan]

- (ii) Expenditure on 1st, 2nd, 3rd and 4th draws comes to Rs. 10,71,00,000.

OGDC

104. *Syed Faseih Iqbal: Will the Minister for Petroleum and Natural Resources be pleased to state the total number of employees working in OGDC at various levels, indicating also the percentage of employees from each province at various levels?

Mr. Jehangir Badar: The total number of employees working in OGDC in the executive grades and subordinate cadres are as follows:—

Executive Grades: 1,174

Subordinate Grades: 3,067

Statement showing province-wise break-up of the OGDC employees (executive and subordinate cadres) are at Annexure I & II. In addition to these regular employees OGDC has also 5813, casual employees who are engaged on short-term basis generally from the area in which the project is located. Since they are temporary employees, they are not required to produce their domicile at the time of engagement. Therefore, the complete information on province-wise distribution of the casual employees is not available. The information to the extent available is summarized in Annexure III.

[Prof. Khurshid Ahmed]

Rent of 'D' type quarters

105. ***Prof. Khurshid Ahmad:** Will the Minister for Housing and Works be pleased to state :

- (a) the monthly standard rent fixed for a 'D' type government quarters ; and
- (b) the monthly rent of the said quarters being deducted from the basic salary of an employee of Federal Government ?

Mr. Muhammad Hanif Khan: (a) The monthly standard rent fixed for a 'D' type Government quarters is Rs. 525 (Rupees five hundred and twenty-five only).

(b) The rent of the 'D' type quarters is deducted @ 5 per cent of the basic pay of the allottees.

FACILITIES PROVIDED TO HOUSES CAT. II

106. ***Dr. Bisharat Elahi:** Will the Minister for Housing and Works be pleased to state whether it is a fact that the Government has provided gas heaters, geysers and bulbs in category II houses in Islamabad while the same facilities have not been provided in Category III and IV houses, if so, its reasons and the time by which these facilities will be provided in category III and IV houses ?

Mr. Muhammad Hanif Khan: Yes. Gas heaters and geysers have been provided in category. I and II houses only according to the standards and specifications approved by the ECNEC for various categories of houses.

Bulbs were provided in some houses inadvertently.

There is no proposal for providing these facilities in category III and IV houses, as the same are not included in the amenities prescribed by the ECNEC.

LOAD SHEDDING

107. ***Mr. Muhammad Ishaque Baluch:** Will the Minister for Water and Power be pleased to state :

(a) whether it is a fact that a complete loadshedding during night hours is observed at Gawadar if so, its reasons ; and

(b) whether it is also a fact that the electricity bills pertaining to Gawadar are prepared at Turbat, if so, its reasons and the time by which arrangements will be made to prepare the electricity bills at Gawadar ?

Mr. Farooq Ahmed Khan Leghari: (a) Yes, total power demand at Gawadar is about 900 KW during evening peak hours and generation capacity is insufficient. People at Gawadar are not prepared to accept partial supply during night. From January, 1988 to October, 1988 Gawadar Power Station was under the control of Provincial authorities. On 1st November, 1988 when WAPDA again took over the charge of Gawadar Power House, 5 Diesel Generating sets were completely out of order, two were in deteriorated condition and one in working condition.

(b) Yes, Revenue Office is located at Turbat. The number of consumers at Gawadar is 1679 which does not justify opening of a Revenue Office there. Consumers billing problems are generally solved by SDO, Gawadar locally.

ELECTRIFICATION OF VILLAGES

108. ***Mr. Muhammad Ishaque Baluch:** Will the Minister for Water and Power be pleased to state whether there is any proposal under consideration of the government to electrify Chak No. 511 G-B, sub-division Mamonkanjan. Tehsil Sumandri, District, Faisalabad; if so when?

Mr. Farooq Ahmed Khan Leghari: No proposal for electrification of Chak No. 511/G.B., is under consideration of the Government.

ELECTRICITY METER READING

109. ***Mian Alam Ali Laleka:** Will the Minister for Water and Power be pleased to state:

(a) Whether it is a fact that/meter reading of village BHIRREH and another adjacent Village of the WAPDA sub-division Khanpur has not been carried out for the last three months and the consumers are receiving approximate bills; if so, reasons; and

(b) the total number of the Meter Readers working in the above sub-division?

Mr. Farooq Ahmed Khan Leghari: (a) In most of the cases actual meter reading has been taken. However, in some cases estimated readings have been taken during 6, 7, 8/1989.

(b) There are 10 Meter Readers in Haripur Division to which Sub-Division at Khanpur is attached.

MEHRANI DAM

110. ***Mr. Muhammad Ishaque Baluch:** Will the Minister for Water and Power be pleased to state whether there is any proposal under consideration of the government to construct the Mehrani Dam in Makran, during the current financial year; if so, the amount allocated for the said purpose and the time by which the work will be started?

Mr. Farooq Ahmed Khan Leghari: Yes. A proposal to allocate Rs. 5 million under Special Development Programme of Baluchistan for Mirani Dam Project is under consideration.

COLLECTION OF ELECTRICITY BILLS

111. ***Mr. Shad Muhammad Khan:** Will the Minister for Water and Power be pleased to state:

(a) the names of commercial banks authorised to collect electricity bills in Sub-Division Chiwanda, District Sialkot;

(b) the average number of electric bills received by Habib Bank, Chobara Branch, Tehsil, Pasrur District Sialkot during one month; and

(c) whether there is any proposal under consideration of the Government to authorise more branches of the commercial banks in that area for the collection of electricity bills?

Mr. Farooq Ahmed Khan Leghari: (a) The National Bank of Pakistan Chiwanda, Habib Bank Limited, Chiwanda, and Habib Bank Limited, Chobara have been authorised to collect electricity bills in Chiwanda Sub-Division.

(b) Average No. of electricity bills received by Habib Bank Limited, Chobara Branch, Tehsil Pasrur, District Sialkot is 4,421 per month.

(c) WAPDA requested United Bank Limited, Chiwanda collect the electricity bills but the request, was not acceded to.

FACILITIES IN HOUSES CAT. IV

112. ***Mir. Hussain Bukhsh Bangulzai:** Will the Minister for Housing and Works be pleased to state whether the facilities of water supply and electricity have been made available to category-IV flats, Sector 1-9/4, Islamabad. If not the reasons for not completing the said works as stated in reply to a starred question No. 68 dated 26th July, 1989?

Mr. Muhammad Hanif Khan:

(a) *Water Supply.*—The facility relating to the water supply has partially provided. Out of 16 underground tanks, 12 underground tanks have been completed while the remaining are expected to be completed by the end of this month. Since the work involves construction below ground level, the work could not be completed due to constant rains during the months of July-August.

(b) *Electric Supply.*—The work of providing electric connection is entrusted to WAPDA, on deposit basis the amount for which was deposited on 20th March, 1989.

They have already completed the overhead lines. Only transformers remain to be installed. The WAPDA authorities have assured that connection shall be made available in a few weeks time.

SELECTION GRADE FOR LDCs

113. ***Nawabzada Jehangir Shah Jomezai:** Will the Minister for Water and Power be pleased to state whether it is a fact that in the office of Director Accounts, Wapda, Islamabad, the Accounts Assistant, Accounts Clerks and Junior Clerks are not promoted or given selection grade, if so, its reasons?

Mr. Farooq Ahmed Khan Leghari: No. It is not a fact.

STATE GUEST HOUSES RAWALPINDI

114. ***Prof. Khurshid Ahmed:** Will the Minister for Housing and Works be pleased to state the total expenditure incurred on the renovation and refurnishing of the State Guest House Rawalpindi before and after making it Prime Minister's House?

Mr. Muhammad Hanif Khan: Nil.

RENOVATION OF SINDH HOUSE

115. ***Prof. Khurshid Ahmed:** Will the Minister for Housing and Works be pleased to state the total expenditure incurred on the renovation and conversion of Sindh House into Prime Minister's House?

Mr. Muhammad Hanif Khan: Rs. 6,163,850.

ELECTRIFICATION OF VILLAGES

116. ***Malik Muhammad Hayat:** Will the Minister for Water and Power be pleased to state:

(a) whether it is a fact that the Government has decided to electrify 10 villages in a year on the recommendations of each MNA belonging to party in power; and

(b) whether it is a fact that village Chak 62 TDA., Tehsil and District Bhakhar was recommended for electrification by a member of the Parliament about seven months back, if so, the reason as to why this village was not electrified?

Mr. Farooq Ahmed Khan Leghari: (a) Yes. Under the new village electrification policy recommendations from public representatives are being considered and given weightage but there is no specific quota for MNAs/Senators.

(b) Yes. Chak No. 62/TDA was recommended by Brig. Malik Muhammad Hayat, Senator, and it was conveyed to WAPDA for electrification. However priorities have been reconsidered in the light of the new criteria. Chak No. 62/TDA will be considered later.

UNPAID BILLS OF WAPDA

117. ***Lt. Gen. (Retd.) Saeed Qadir:** Will the Minister for Water and Power be pleased to state:

(a) the total outstanding amount of un-paid electricity bills of WAPDA (excluding KESC) against the government departments, autonomous bodies; Provincial governments and other agencies as on 30th June, 1989;

(b) Are there any disputes which require to be resolved in connection with the above;

(c) the names of organizations having outstanding dues of more than Rs. 10 million; and

(d) the outstanding dues as on 30th June, 1985. 30th June, 1986. 30th June, 1987 and 30th June, 1988?

Mr. Farooq Ahmed Khan Leghari: (a) The total outstanding amount of un-paid electricity bills of WAPDA (excluding KESC) against the government departments, autonomous bodies, Provincial governments and other agencies as on 30th June, 1989 is Rs. 1142.20 million.

(b) Local bodies in the Province of Sindh are persistent defaulters. They demand that WAPDA should pay octroi charges on import of power within their municipal limits. WAPDA's view point is that burden of such octroi charges will have to be passed on to the consumers in the jurisdiction of local bodies.

(c) the names of the organizations, having outstanding dues of more than Rs. 10 million as on 30th June, 1989 are given below:-

(1) MES.

[Mr. Farooq Ahmed Khan Leghari]

- (2) PAF.
- (3) SCARP (Hyderabad).
- (4) SCARP (Punjab).
- (5) Hyderabad Development Authority.

(6) Local Bodies:

Punjab.

Sindh.

NWFP.

Baluchistan.

- (d) Outstanding dues against Government Agencies.

As on

119. *Transferred to the Finance Division.*

(Originally set down for answering on 18th and 26th July, 1989)

ELECTRIFICATION OF VILLAGES

76. ***Mr. Muhammad Hashim Khan:** Will the Minister for Water and Power be pleased to refer to part (d) of Senate starred question No. 57 replied on 1st April, 1989 and state whether it is a fact that policy regarding supply of electricity to the villages has been revised, if so the time by which electricity will be provided to village Kotla, Tehsil Haripur Hazara?

Mr. Farooq Ahmed Khan Leghari: Yes, the distance criteria was revised and in the case of NWFP the population to distance ratio is the basis for consideration for approval of electrification of villages. In case of Punjab and Sindh distance criteria is 6 K.M. from 11 K.V. Line.

Village Kotla and adjoining abadies are spread over an area of 3 K.M. in length and although the nearest point to 11 KV Line is 0.9 K.M. from Islamabad

[Mr. Farooq Ahmed Khan Leghari]

Region, the village itself is situated in NWFP K.M. away from the existing lines. The electrification of this village will be considered in due course of time considering the existing criteria.

ELECTRIFICATION OF VILLAGES

87. *Mr. Salim Saifullah Khan: Will the Minister for Water and Power be pleased to state the names of the contractors awarded contracts of electrification of villages in Bannu District during the year 1988-89 indicating also their rates separately in each case?

Mr. Farooq Ahmed Khan Leghari: Names of contractors awarded contracts for electrification of villages in Bannu District during 1988-89 are as under:-

- (a) M/s. M.A. New Construction Company Engineering and Government Contractor Serai Naurang, Bannu.
- (b) M/s. Shar Trading Company Contractor, Bannu.

Rates approved in the case of (a) and (b) above are as under:

The contracts were awarded to (a) and (b) above on competitive rates.

WAPDA COLONY

117. ***Mr. Abdur Rehman Jamali:** Will the Minister for Water and Power be pleased to state the time by which the construction work of WAPDA Colony in Usta Muhammad (Baluchistan), will start?

Mr. Farooq Ahmed Khan Leghari: The small 66/11 KV Grid Station at Usta Muhammad is operating without any problems since its commissioning in 1980. Construction work of WAPDA colony would be taken in hand after acquisition of land and provision of funds under ADP.

ELECTRIFICATION OF VILLAGES

119. ***Mr. Muhammad Tariq Chaudhary:** Will the Minister for Water and Power be pleased to state whether it is a fact that village Kharang Kurd and Pekan, Tehsil Kahuta, District Rawalpindi, were approved for electrification if so, the time by which these villages will be electrified?

Reply not received.

ELECTRIFICATION OF VILLAGES

120. ***Mr. Saleem Saifullah Khan:** Will the Minister for Water and Power be pleased to state the names of villages recommended by Begum Kalsum Saifullah Khan, MNA, and Mr. Saleem Saifullah Khan, Senator, for electrification during the years 1987, 1988 and 1989 indicating also the names of villages electrified and those not electrified so far?

Mr. Farooq Ahmed Khan Leghari: Mr. Saleem Saifullah Khan Senator had recommended the following two villages during financial year 1986-87 and 1987-88:

1986-87	..	..	..	..	Jhang Khel at Bannu.
1987-88	..	..	..	..	* Dad Kachkot at Bannu.

2. Both these villages were electrified in 1987-88.

3. Begum Kalsum Saifullah Khan, MNA had recommended only one (1) village namely Bragi, District Bannu in 1986-87. As this village did not meet the distance criteria, therefore it was not electrified. In addition to above Village Begum Kalsum Saifullah Khan, MNA has also recommended the following five (5) villages for electrification during 1988-89 which are under process:

- (1) Village therefore Saradarga Kot-Kajat (Bannu).
- (2) Umarabad Bakhmal Ahmadzai, Daulatabad Adamzai, Bannu.
- (3) Suleman Khel, District Bannu.
- (4) Kotka Sarfaraz District Bannu.

[Mr. Farooq Ahmed Khan Leghari]

- (5) Kotka Karrak Panda Khel Wazir, District Bannu (Kotka Gul Akram).

STAFF WORKING IN WAPDA

122. *Mr. Saleem Saifullah Khan: Will the Minister for Water and Power be pleased to state:

(a) the total number of persons working in the WAPDA separately in each grade and the total monthly expenditure being incurred on their salaries; and

(b) the names, designations and grades of those persons who have been given extension in service after retirement?

Mr. Farooq Ahmed Khan Leghari. (a) A list showing grade wise number of WAPDA employees is at Annexure I.

(b) No. WAPDA's employees has been given extension in service after retirement.

Annexure -I

- (1) Gradewise number of WAPDA employees is given as under:-

BPS					Total No. of employees.
1.	..	..	..	..	20771
2.	..	..	..	..	1631
3.	..	..	..	..	5619
4.	..	..	..	..	1126
5.	..	..	..	..	52226
6.	..	..	..	..	11286
7.	..	..	..	..	22513
8.	..	..	..	..	492
9.	..	..	..	..	1993
10.	..	..	..	..	286
11.	..	..	..	..	11301
12.	..	..	..	..	5246
13.	..	..	..	..	278
14.	..	..	..	..	354
15.	..	..	..	..	929
16.	..	..	..	..	2702
17.	..	..	..	..	4086
18.	..	..	..	..	1713
19.	..	..	..	..	551
20.	..	..	..	..	143
GRANT TOTAL:					145254

- (2) Total monthly expenditure being incurred of their Salaries is Rs. 231.143 million(.)

Detail of Total Emoluments and Expenditure on TA/DA for the last five

Years is as under:-

(In million)

Period	Total employments	TD/DA
1984-85	1719.437	168.668
1985-86	2005.108	212.335
1986-87	2356.283	296.348
1987-88	2562.297	388.933
1988-89	2813.713	265.666

ELECTRIFICATION OF VILLAGES

124. *Mr. Muhammad Mohsin Siddiqui: Will the Minister for Water and Power be pleased to state :

(a) the number of villages in the country not electrified, so far, indicating province-wise break-up ; and

(b) the number of villages likely to be electrified during 1988-89, alongwith province-wise break-up?

Mr. Farooq Ahmad Khan Leghari: (a) Province-wise break-up of un-electrified village as on 30th June, 1989 is as under :-

Punjab	..	..	..	..	13,633
Sindh	..	..	..	..	1,889
N.W.F.P.	..	..	..	..	5,714
Baluchistan	..	..	..	..	5,208
Total					26,444

(b) Break-up of villages electrified in all the Province during 1988-89 is given as under :

Punjab	..	..	..	..	1,090
Sindh	..	..	..	..	593
N.W.F.P.	..	..	..	..	387
Baluchistan	..	..	..	..	41
Total					2,111
FATA					190
GRAND TOTAL					2,301

PILFERAGE IN WAPDA

126. *Mr. Muhammad Mohsin Siddiqui: Will the Minister for Water and Power be pleased to state :

(a) the auxiliary losses, transmission distribution losses and theft pilferage in WAPDA during the last three years in term of rupees, separately with year-wise break ; and

(b) the steps the Government has taken to check such losses/pilferages ?

Mr. Farooq Ahmed Khan Leghari: (a) Sector-wise losses in WAPDA for the last three years are given below :-

				1986-87	1987-88	1988-89 (upto May, 89)
Auxiliary losses	..	..	..	1.7%	1.7%	1.7%
Transmission losses	..	..	..	8.9%	8.6%	8.3%
Distribution losses	..	..	..	14.7%	14.7%	14.0%

Distribution losses include technical losses and pilferage :-

- (i) Pilferage cannot be determined separately and is included in distribution losses.
- (ii) Since pilferage percentage cannot be determined as explained at (i) above, the rupee value cannot be attached to these losses.
- (b) the following steps have been taken to reduce the losses :-
 - (1) Installation of capacitor Banks on 11 KV and LT lines.
 - (2) Specification of distribution and power transformers have been revised to reduce the transformation losses.
 - (3) Augmenting the conductor size.
 - (4) By adding and augmenting distribution transformers.
 - (5) Bifurcation of HT and LT feeders and reducing length of LT lines.
 - (6) By providing check meters.
 - (7) By providing meter security boxes on billing meters and by improving the specification of energy meters.
 - (8) Provision of mobile metering pannels of big industrial units.
 - (9) By providing 11 KV out door polemounted metering cubicles.
 - (10) Shifting of energy meters out side the premises.
 - (11) Meter readings of medium and large size industrial consumers, by SDO's and XENs.
 - (12) By surprise checking of consumers installation through surveillance teams and registration of theft cases with police station.

ELECTRIFICATION OF VILLAGES

127. *Mian Alam Ali Laleka: Will the Minister for Water and Power be pleased to state :

- (a) whether it is a requirement for the electrification of a village that the main line of electricity should be available at a maximum distance of one mile and the village should also consist of about 20 to 25 houses, if so ;

(b) whether it is fact that village Mohran Wala of Tehsil and District Bahawalnagar, has been electrified, if so, the reasons for not electrifying Mauza, Abdullah Chido Numberdar and the time by which it will be electrified ?

Mr. Farooq Ahmed Khan Leghari: (a) No. The present criteria for Punjab is that the main village should be within a distance of 6.00 K.M. from the 11 K.V. line, having population equal to or more than 200.

(b) Village Mohrawala is under electrification. Mouza Abdullah Chido Numberdar is an Azafi Basti and did not meet the population criteria of 200 therefore it has not been electrified.

Electrification OF VILLAGES

128. ***Mian Alam Ali Lalekha:** Will the Minister for Water and Power be pleased to state whether it is a fact that electricity has been provided to Mauza Pir Asghar Shah of village Baku Shah, Tehsil and District Bahawalnagar but three other adjoining Mauzas i.e. Chunjan Wali, Syed Muhammad Hasan Shah and Mahmood-ul-Hasan Shah of the same village were not electrified, if so, the reasons thereof and the time by which these villages will be electrified ?

Mr. Farooq Ahmed Khan Leghari: Mauza Pir Asghar Shah of Village Baku Shah, Tehsil and District Bahawalnagar is under electrification. Only Basti Khokharan which meets the criteria for electrification has been included. The other Mauzas namely Chunjawali, Syed Muhammad Hassan Shah S/o Mahmood-ul-Hassan Shah do not meet the criteria. As such these could not be considered for electrification.

RIGHT BANK AND LEFT BANK CANALS

129. ***Mr. Abdur Majid Kazi:** Will the Minister for Water and Power be pleased to state :

(a) whether it is fact that the technical feasibility of the Right Bank and Left Bank Kala Bagh Canals has not yet been established ;

(b) whether it is further a fact that the consultants of Kala Bagh Project in their early studies had indicated that the construction of the above high level canals will be extremely un-economical ; and

(c) the operating levels (EL) of these canals separately ?

Mr. Farooq Ahmed Khan Leghari: (a) Yes.

(b) Yes.

(c) The two gravity canals if at all found to be feasible would operate between the maximum and minimum levels of the Kalabagh Dam reservoir.

LOAD SHEDDING

130. ***Mr. Aijaz Ali Khan Jatoti:** Will the Minister for Water and Power be pleased to state :

(a) the minimum and maximum number of load shedding hours observed in Sindh Province.

(b) whether it is a fact that different loadshedding hours are observed in

[Mr. Aijaz Ali Khan Jatoi]

Urban and Rural Areas of Sindh ; and

(c) whether it is also a fact that no loadshedding was observed at Karachi if so, its reasons ?

Mr. Farooq Ahmed Khan Leghari: (a) $1\frac{1}{2}$ hour to 8 hours load shedding was observed in Sindh Province during January to May, 1989.

(b) Yes.

(c) Karachi area is supplied electricity by KESC KESC has managed to meet the power demand of its area from its existing generating capacity and there is no load shedding except in the case of emergency. However, load shedding of about 20—40 MW was carried out in Karachi during peak hours in the months of May and June, 1989. No load shedding was carried out from December, 1988 to April, 1989 as generation capacity of KESC remained according to the demand of the area.

ELECTRIFICATION OF VILLAGES

134. *Qazi Abdur Latif: Will the Minister for Water and Power be pleased to state the time by which Dhoke Zamanabad of Village Tarlai Kalan. Federal Capital Area, will be electrified ?

Mr. Farooq Ahmed Khan Leghari: Dhoke Zamanabad, Federal Area does not meet the population criteria.

ELECTRIFICATION OF VILLAGES

135. *Qazi Abdul Latif: Will the Minister for Water and Power be pleased to state completed in June, 1989. The work on Swan Maira is in progress and would be completed during the current fiscal year alongwith adjacent abadies namely Loai, Naka, Changer Dheri, Kashmir Pani and Khursal.

EXPLORATION WELLS

10. Syed Faseih Iqbal: Will the Minister for Petroleum and Natural Resources be pleased to state the total number of wells dug in the country, with province-wise break-up, during the last three years, indicating also the rate of success in each province as compared with the International rate of success ?

Mr. Jehangir Badar:

	Sindh	Punjab	Balu-chistan	NWFP	Total
Total Exploration Wells drilled during last three years.	40	7	2	1	50

Success Rate	International	1 : 10
	Sindh	1 : 2
	Punjab	1 : 4
	Baluchistan	—
	NWFP	—

LEAVE OF ABSENCE

جناب ڈپٹی چیئرمین : میر غلام حیدر تالپور صاحب نے اپنی ذاتی مصروفیات کی وجہ سے ۲۴ سے ۳۰ ستمبر تک رخصت کی درخواست کی ہے کیا آپ ان کی رخصت منظور کرتے ہیں۔
(رخصت منظور کی گئی)

(رخصت منظور کی گئی)

جناب ڈپٹی چیئرمین : جناب محمد ابراہیم بلوچ صاحب نے ۱۴ سے ۲۱ ستمبر تک اجلاس میں حاضر ہونے سے معذرت کی درخواست کی ہے کیا آپ ان کی رخصت منظور کرتے ہیں۔

(رخصت منظور کی گئی)

جناب ڈپٹی چیئرمین : جناب عبدالرحمان جمالی نے ۲۵ ستمبر تا ۲ اکتوبر الائنس رخصت کی درخواست کی ہے کیا آپ ان کی رخصت منظور کرتے ہیں۔
(رخصت منظور کی گئی)

جناب ڈپٹی چیئرمین : جناب امیر عبداللہ روکڑی صاحب نے ۲۴ ستمبر کے اجلاس سے رخصت کی درخواست کی ہے کیا آپ ان کی رخصت منظور کرتے ہیں
(رخصت منظور کی گئی)

جناب ڈپٹی چیئرمین : پروفیسر خورشید احمد صاحب نے ۲۶ اور ۲۷ ستمبر کے لیے رخصت کی درخواست کی ہے کیا آپ ان کی رخصت منظور کرتے ہیں۔
(رخصت منظور کی گئی)

OBITUARY

Mr. Deputy Chairman: Yes Mr. Law Minister.

Syed Iftikhar Hussain Gilani: Thank you Mr. Chairman. If I am allowed I beg to move a resolution?

Mr. Deputy Chairman: Yes, please move your resolution.

Syed Iftikhar Hussain Gilani: Thank you. This House places on record its sense of extreme sorrow and profound grief at the sad and untimely demise of Mr. Atique Sajjad son of late Mr. Sajjad Ahmed Jan, the younger brother of Mr Wasim Sajjad, Chairman Senate who expired yesterday at Lahore. May God shower his choicest blessings on the departed soul and grant courage and fortitude to the bereaved family to bear this irreparable loss. The Senate conveys its sympathy and condolence to the bereaved family.

Mr. Deputy Chairman: Thank you. Mr. Muhammad Ali Khan.

Mr. Muhammad Ali Khan: Mr. Chairman, Sir, I join the Leader of the House in condoling the sad and untimely demise of Mr. Atique Sajjad, younger brother of the Chairman, Mr. Wasim Sajjad and pray that the Almighty Allah may shower all his blessings on the departed soul and give courage and fortitude to the bereaved family to bear this irreparable loss. I suggest that Qazi Abdul Latif Sahib may very kindly be requested to offer Fateha for the departed soul. I thank you, Sir.

ڈاکٹر شہیر انگوٹھ خان نیازی : جناب چیئرمین، میں گزارش کروں گا کہ جنرل انصاری صاحب کے بڑے لڑکے کے لئے بھی دعا فرمائی جائے جن کا انتقال کل دل کا دورہ پڑنے سے ہوا ہے۔ جنرل انصاری صاحب ہمدانی پارلیمنٹ کے ممبر ہیں قومی اسمبلی کے، لہذا ان کے بیٹے کے لئے بھی فاتحہ پڑھی جائے تاکہ جنرل صاحب کو بھی سینٹ کے احساسات پہنچ جائیں۔

جناب ڈپٹی چیئرمین : شکریہ، قاضی صاحب دونوں حضرات کے لئے فاتحہ فرمادیں۔

قاضی عبداللطیف : جناب والا! وسیم سجاد صاحب ہمارے چیئرمین ہیں، ان کی تکلیف یقیناً ہماری تکلیف ہے ہم ان کے غم میں برابر کے شریک ہیں، ان کے بھائی کے یہ دعائے مغفرت کہنے اللہ تعالیٰ اس کی مغفرت فرمائے۔

جزل انصاری صاحب کے لڑکے کے لئے بھی دعا کیجیے۔
 (بعد ازاں ایوان نے دونوں حضرات کے لئے قاضی عبداللطیف
 صاحب کی قیادت میں دُعا ئے مغفرت کی)

Syed Iftikhar Hussain Gilani: Mr. Chairman, Sir, if I am permitted I would like to move that this House be adjourned as a mark of respect at least for half an hour to show our respect and join in condolence with the bereaved family.

Mr. Deputy Chairman: I will be having no objection and I would like to have the sense of the House.

Lt. Gen. (Retd) Saeed Qadir: Point of order, Sir.

Mr. Deputy Chairman: Gen. Saeed Qadir Sahib on a point of order.

Lt. Gen. (Retd) Saeed Qadir: May I suggest to the House and request the House that we adjourn for the day instead of just for half an hour.

Mr. Deputy Chairman: I would like to have the sense of the House. So, what is the sense of the House?

Mr. Javed Jabbar: Mr. Chairman sorry. My conscience does not permit me to remain silent on this.

Mr. Deputy Chairman: Yes, Mr. Javed Jabbar.

Mr. Javed Jabbar: Mr. Chairman, I have a great deal of affection and regard for the Chairman of the Senate being personally associated with him. However, we must remember that we are Members of the Upper House of Parliament. We are enjoined by this nation to use every minute possible for the benefit of this country. Now, if we adjourn for the whole day we are wasting a whole day's working time. Without any disrespect to the departed soul for our concern for the Chairman let us adjourn instead for at least half an hour as a token of our respect for him but if we do away with an entire working day we will lose precious working time.

Mr. Deputy Chairman: Thank you very much. As far as the precious working time is concerned we had been requesting the

[Mr. Deputy Chairman]

government time and again that we would like to continue the session of the Senate on day to day basis but I am sorry to say that the government doesn't have much business to do, that is why the Senate is being adjourned for each and every alternate day. So, it will not make any difference as far as the business of the House is concerned. Because if you like we can have a Senate session tomorrow, day after tomorrow - on regular days basis, I don't think this is a valid point. Thank you very much.

Mr. Javed Jabbar: Mr Chairman you have made an observation about the government's attitude and I must clarify it.

(Interruption)

Mr. Deputy Chairman: Of course please.

Mr. Javed Jabbar: I don't want to enter into an argument but this is not an opportunity to accuse the government for not having much business.

(Interruption)

Mr. Deputy Chairman: I am sorry, this is not a question of accusation. As far as the pressure of the work is concerned.....

(Interruption)

Mr. Javed Jabbar: The National Assembly is also being held at this time so we cannot hold sessions necessarily every single day. That is the only reason and this is a past practice.

Mr. Deputy Chairman: We have revised the working schedule when it was issued to us, twice during this session, if the government is keen to have its business the Senate will be having no objection to run this Senate on day to day basis. Mr. Asaf Vardag.

Mr. Asaf Fasihuddin Vardag: Mr. Chairman Sir, you have very kindly asked for the sense of the House whether they would like the adjournment for half an hour or whether they would like the adjournment for the day and I think in so far as the sense of the House is concerned it is for the day.

Mr. Deputy Chairman: That is right. Syed Iftikhar Hussain Gillani.

Syed Iftikhar Hussain Gilani: Just to clarify one thing Sir. What the honourable Senator and my colleague (Mr. Javed Jabbar) said is not the stand of the government. It was an individual view Sir. So, I must make it clear, it is not the stand of the government.

Mr. Deputy Chairman: Thank you very much, you have resolved the whole situation. Zafar Ali Shah.

Syed Zafar Ali Shah: Sir, I wanted to say that the House builds its own conventions. What we know about the conventions of the Houses before this is that any member of the House if he dies, he passes away, in that case even before partition after partition the House is adjourned for the day. Otherwise I think as a mark of respect to the departed should and sympathy with the respected Chairman for which I also have great personal regard and affection, I think it is a mark of respect and which we will denote through our adjourning the House for half an hour and conducting the business thereafter. Sir, this is just my humble expression that it is better to have a sound precedent and convention than to go on building conventions contrary to the conventions that have been built up earlier.

Mr. Deputy Chairman: Thank you very much Shah Sahib but as far as the point is concerned it was a younger brother of Mr. Wasim Sajjad. I think it is equally important for us as if some Member of the House has expired. So, as far as his grief is concerned we are fully sharing his grief. So, that is why, I think, it will be better to adjourn for the day. Let us not make a debate out of this and let us have the sense of the House.

Now the question before the House is that the House may be adjourned for the day.

(The motion was approved)

Mr. Deputy Chairman: So, I think the House will be adjourned for the whole day and we will meet on Thursday i.e., 28th of September 1989 at 10.00 am. in the morning. Thank you very much.

[The Houses adjourned to meet again at ten of the clock in the morning on Thursday, the 28th September, 1989].
