جناب چیئرمین، بڑا کہ اللہ۔ بسم اللہ الرحمن الرحیم۔ اللہم صل علی محمد و علی آل

محمد۔ We will take up the questions

سینیئر ڈاکٹر صفدر علی عباسی، جناب! point of order.

Mr. Chairman: You may defer it. Before...

(مداخلت)

POINT OF ORDER: LAW AND ORDER SITUATION IN KARACHI

سینیئر ڈاکٹر صفدر علی عباسی، جناب! تباہی مچی ہوئی ہے، حکومت پاکستان کی طرف سے اتنے دنوں سے، 12 مئی کے بعد آج چھ دن گزر گئے ہیں، آج 18 مئی ہو چکی ہے۔ ان کا اتنا callous attitude ہے، کراچی میں اموات ہو رہی ہیں، 60 سے زیادہ اشخاص موت کا شکار ہو چکے ہیں یا وہ حکومتی پارٹی کی گولیوں کی زد میں آ چکے ہیں یا Police اور Rangers کی گولیوں کی زد میں آ چکے ہیں۔ جناب! یہ حکومت کیا کر رہی ہے؟

(مداخلت)

(اس موقع پر Opposition کی طرف سے شدید احتجاج شروع ہوا)

جناب چیئرمین، آپ کیا کہنا چاہ رہے ہیں۔

سینیئر کامل علی آغا، یہ کام نہیں کرنا چاہتے۔

(مداخلت)

Mr. Chairman: All the questions and their answers tabled are taken as read. All the leave applications are approved and all the reports to be presented and ordinances to be laid on the table of the House are presented and laid. The House stands adjourned to meet again on 9th June, 2007 at 5.00 PM.

QUESTIONS AND ANSWERS

136. *Mrs. Razina Alam Khan:

Will the Minister for Water and Power be pleased to state:

- the amount of electricity charges collected by WAPDA during the financial year 2005-06; and*
- the steps taken by the Government to improve the procedure of recovery/ collection of electricity charges?*

Mr. Liaquat Ali Jatoi: (a) Amount of electricity charges collected by WAPDA during FY 2005-06. Rs.270.8 million.

(b) Following steps are being taken to improve recovery procedure:

- When consumer defaults in making payment by due date a notice to disconnect electricity is issued in the following month.

- Equipment Removal Order (ERO) is issued, if the consumer fails to clear outstanding electricity dues.
- Each month, a printed list of ERO (where payments are not received) is sent to all XENs & SDOs for implementation.
- Billing dispute cases from the above list are deferred and settled by the committees constituted at DISCO/Circle level.
- In case of non-payment, demand is created from the District Collector under Section 54-C of electricity Act and recovery is effected through Tehsildar (Recovery).
- Incentive Package for permanently disconnected consumers having age 5 years or above is also given. If 50% arrears are paid, the remaining 50% is waived off.

137. ***Mr. Muhammad Talha Mahmood:**
08.40 a.m.)

Will the Minister for Petroleum and Natural Resources be pleased to state:

- the amount allocated for supply of natural Gas to new areas in the country during 2006-07; and*
- the amount spent out of the said funds so far with province-wise break up?*

Mr. Amanullah Khan Jadoon: (a) An amount of Rs. 6,532 million has been allocated for supply of gas to new areas in the country during 2006-07.

(b) The amount spent out of the said funds so far with province-wise break up is as under:—

<u>Province</u>	<u>Amount</u> <u>(Rs. Million)</u>
Punjab	2234
NWFP	274
Sindh	892
Baluchistan	384
Total:	3784

138. ***Mr. Liaqat A. Bangulzai:** (Notice received on 23-02-2007 at 08.45 a.m.)

Will the Minister for Culture be pleased to state the names of Archaeological sites and Museums in the country under the administrative control of the Department of Archaeology, indicating also the income of each site and museum during the fiscal years 2004-05 and 2005-06?

Dr. Syiad Ghazi Gulab Jamal: There are 188 Archaeological Sites and 12 Museums under the administration control of Federal Department of Archaeology and Museums. Their names are at Annex-I and II respectively. The income earned from those Site and Museum may please be seen at Annex-III.

(Annexures have been placed on the Table of the House as well as Library).

139. ***Sahibzada Khalid Jan:**

Will the Minister for Water and Power be pleased to state the amount allocated for the flood protection during the current fiscal year and the amount spent so far, with district wise details?

Mr. Liaquat Ali Jatoi: An amount of Rs. 950 million has been allocated for the flood protection schemes under Normal/Emergent Flood Program and Rs. 29.50 million under Second Flood Protection Sector Project (FPSP-II) during financial year (2006-07). District-wise detail has been compiled from the information received from executing agencies and is given below:

1. NORMAL/EMERGENT FLOOD PROGRAM

(Rs. in million)

2. **SECOND FLOOD PROTECTION SECTOR PROJECT**
(FPSP-II)

Province	Allocation	Releases
Punjab	-	None of the provinces demanded for release of funds.
Sindh	12.00	
NWFP	17.50	
Balochistan	-	

- Rest of the funds are under process for release to the executing agencies on receipt of utilization account.
- District wise allocation and releases are based on the schemes submitted to Federal Flood Commission. Funds

are released to the executing agencies in lump sum. District wise allocation/releases are made by the executing agencies themselves on their priority.

140. ***Mr. Nisar Ahmad Memon:**
08.30 a.m.)

Will the Minister for Water and Power be pleased to state:

- (a) *the volume of the total Wind Energy generated by the public and private sectors in the country during 2005-06 with province-wise break up; and*
- (b) *the volume of the said energy planned to generate during 2006-07, 2007-08 and 2008-09 in public and private sectors with province-wise break up?*

Mr. Liaquat Ali Jatoi: (a) There had been no generation of on-grid wind energy by the public and private sector in the country during 2005-06.

(b) The following wind power generation targets are to be achieved by AEDB:

<u>Installed capacity</u>	<u>Year</u>
700 MW	2010
9700 MW	2030

The wind power generation projects are initially planned to be developed in the coastal areas of Sindh. Wind resource assessment is currently being carried out by AEDB to determine additional suitable sites to develop wind power plants throughout the country.

141. ***Mir Israrullah Khan Zehri:** (08.40 a.m.)

Will the Minister for Water and Power be pleased to state:

- (a) *the steps being taken by the Government for development of water and power resources in the country; and*
- (b) *the amount allocated for the said purpose in budget 2006-07?*

Reply not received.

142. ***Mr. Muhammad Talha Mahmood:**
11.25 a.m.)

Will the Minister for Water and Power be pleased to state:

- (a) *the amount allocated for village electrification during 2006-07; and*
- (b) *the number of villages so far electrified / to be electrified during the current financial year with province-wise break up and the amount spent on it?*

Mr. Liaquat Ali Jatoi: (a) Rs. 3681.08 million has been allocated during the period 1st July 2006 to 31 January 2007 under various village electrification programmes.

(b) 11110 villages have been electrified upto 15th March 2007 out of 15000 villages, to be electrified during Financial Year 2006-07. Province-wise break-up is as under:

Name of Province	No. of villages electrified upto 15th March, 07	amount spent (Rs. In million)
Punjab	8069	4473.222
Sindh	1208	410.954
NWFP	1323	597.09
Balochistan	510	288.437

143. ***Mir Israrullah Khan Zehri:**
11.40 a.m)

Will the Minister for Water and Power be pleased to state:

- (a) *the details of power units in private sector; and*
- (b) *whether there is any proposal under consideration of the Government to allow more such units, if so, the details thereof?*

Mr. Liaquat Ali Jatoi: There are 16 power units in the private sector operational in the country. Details are attached at Annex-I.

(b) There are 50 proposals in private sector presently under process with a cumulative capacity of around 13,400 MW.

Annex - I**LIST OF COMMISSIONED PRIVATE POWER PLANTS**

147. ***Mr. Abdur Rahim Khan Mandokhail:**
at 12.15 p.m.)

Will the Minister for Petroleum and Natural Resources be pleased to state whether there is any proposal under consideration of the Government to supply natural gas to villages Tahrpal, Behla, Karriala, Wariamal, and Sadwal Tehsil and District Chakwal, if so, when?

Mr. Amanullah Khan Jadoon: At present there is no proposal under consideration to supply gas to the villages namely; Tahrpal (correct name Tharpal), Behla (correct name Bhallah), Karriala (correct name Karijala) and wariamal (correct name Warymal) Tehsil and District Chakwal, as these localities do not meet the prescribed per consumer cost criteria of Rs 20,000/- fixed by the Government, for the province of Punjab.

However, as far as supply of gas to village Sadwal is concerned, an amount of Rs 16.40 million has been received by the Company from the Govt. of Punjab. Laying of distribution network at village Sadwal will start before 30th June, 2007 and will be completed by 31st December, 2007.

148. ***Col. (R) Syed Tahir Hussain Mashhadi:**
2007 at 09.40 a.m.)

Will the Minister for Water and Power be pleased to state:

(a) *the names, designations, educational qualifications and places of domicile of the officers working in the Alternative Energy*

Development Board indicating also salaries, allowances and other fringe benefits admissible to them; and

- (b) *the steps taken by the Board for searching alternative energy source since its inception?*

Mr. Liaquat Ali Jatoi: (a) A statement indicating the names, designation, educational qualifications, places of domicile and salaries of the officers presently working in the Alternative Energy Development Board is attached at Annex-I.

(b) The Board has installed wind data measuring masts in various locations of Gharo-keti Bandar in collaboration with Pakistan Meteorological Department (PMD).

- * AEDB in collaboration with USAID and NREL is developing the solar maps for Pakistan.
- * AEDB has electrified 1000 houses in various remote areas of Pakistan using solar energy.
- * Another 400 villages are in process to be electrified through solar energy in Sindh (100 villages) and Baluchistan (300 villages).
- * AEDB has facilitated the Waste to Energy & Fertilizer, Landhi Cattle Colony, Karachi Pilot Project to be funded by New Zealand Aid (NZ AID) and implemented by Empower Consultants New Zealand with local engineering partners, National Engineering Council (NEC).

Annex-I

149. ***Maulana Muhammad Saleh Shah:**
11.00 a.m.)

Will the Minister for Water and Power be pleased to state the steps taken by the Government to improve electricity voltage in street Nos. 1 to 6, Shaheen Town, Gangal, Rawalpindi?

Mr. Liaquat Ali Jatoi: There are about 90 consumers in Stree No. 1 to 6, Shaheen Town, Rawalpindi, fed through 100 KVA transformer. The voltage in the said area is found, within permissible limit.

150. ***Prof. Muhammad Ibrahim Khan:**
11.15 a.m.)

Will the Minister Incharge of the Prime Minister's Secretariat be pleased to state:

- whether it is a fact that payment of 1st installment of compensation has not been made so far to more than 50% earthquake affecttees of tehsil Balakot, if so, its reasons;*
- whether it is also a fact that payment of 2nd and 3rd installments has been made conditional, if so, its reasons; and*
- whether it is further a fact that most of the area of Balakot is still without the facility of drinking water?*

Minister Incharge of the Prime Minister's Secretariat: (a) Payment of 1st installment of compensation to more than 50% of Earthquake affectees of Tehsil Balakot has already been made.

(b) The payment of 2nd and 3rd installments has been made conditional due to the following reasons:

- * ERRA is disbursing the rural housing subsidy as per the approved rural housing reconstruction strategy according to which the subsidy will be disbursed in three tranches to ensure the seismic compliance of the house at Plinth and Lintel level.
- * Government of Pakistan is investing Rs. 67 billion for the seismic reconstruction of houses and through the supervised re-construction of houses ERRA is ensuring the safety of people as well as the huge money that is being spent.

(c) No, most of the population of Balakot is provided with facility of drinking water.

151. ***Prof. Khurshid Ahmed:** (Notice received on 27-03-2007 at 11.50 a.m.)

Will the Minister for Petroleum and Natural Resources be pleased to state:

- (a) *the names of districts and villages in the country to which natural gas has been supplied during the current financial year indicating also the expenditures incurred thereon with province-wise break up;*
- (b) *the names of the areas in NWFP to which natural gas will be supplied during the current year; and*
- (c) *whether there is any proposal under consideration of the Government to supply natural gas to tehsil Ogi, District Mansehra, if so, when?*

Mr. Amanullah Khan Jadoon: (a) Natural gas has been supplied to a total number of 165 villages / localities during this financial year with Rs 2,722 million expenditure as per details at **Annexure I**.

(b) The names of areas in NWFP to which natural gas will be supplied during the current year are as under:—

- (i) Karak
- (ii) Dheri Jlogram

- (iii) Dagh Ismail
- (iv) Ziarat Kaka Sahib
- (v) Jaloza
- (vi) Manki Sharif
- (vii) Ummer Panian
- (viii) Saro Shah Mardan
- (ix) Nahadi Shah Alam Pul
- (x) Shahbaz Garhi, Distt. Mardan
- (xi) Village Gharhi Karpura Distt. Mardan

(c) Presently, there is no proposal under consideration for supply of gas to Ogi, District Mansehra.

- the details of changes, if any, made in the prescribed criteria during the last five years?*

Dr. Syiad Ghazi Ghulab Jamal: (a) Films are examined and certified by the Central Board of Film Censors in the light of the prescribed criteria / guidelines provided in the "Censorship of Films Code" notified by the Federal Government on 9th April, 1980 (Annex-I).

(b) No change has been made in the Censorship of Films Code during the last five years.

Annexure-I

TO BE PUBLISHED IN THE EXTRAORDINARY GAZETTE OF PAKISTAN
PART II

GOVERNMENT OF PAKISTAN
MINISTRY OF CULTURE AND TOURISM

Islamabad, the 9th April, 1980

NOTIFICATION

No.13-28/78-Films.—The Federal Government, under power conferred by Section 6(2) of the Motion Pictures Ordinance, 1979 (XLIII of 1979) have prescribed the following Code of Censorship for films :—

- (a) The provisions of the Code, while spelling out in detail certain curbs which have to be imposed on the exercise of the freedom of expression in the interest of the majority of cinema audience, shall, nevertheless, leave room for encouragement of artistic expression by expanding creative freedom and at the same time ensuring that the freedom which encourages the artiste remains responsible and sensitive to the society at large.
- (b) The filmmaker has the right to contribute towards broadening the viewer's vision of life, by giving him an insight into human impulses and an awareness of the social factors at work, and by identifying the realities that impinge on contemporary existence such as intolerance, graft, dishonesty, inequality or exploration in their daily manifestations. He should have the right not only to restate truth, in historical or contemporary context, but also to relate into the life of his audience. Above all, he has the right to pursue to the limit the scope for artistic expression, innovation and experimentation offered by the cinema and to provide for the viewer's aesthetic satisfaction on a rising scale.

- (c) While judging each film, the authority should keep in view that each film piece, scene, song, incident, dialogue has to be examined in the context of the film as a whole, its relevance and appropriateness to the plot or its thematic and artistic justification. Because no two films are alike it is essential to treat each picture, each incident, each line of dialogue on its own merits. In judging a line the main consideration should be the impression it is likely to create on an average audience, which includes a considerable portion of children, teen-agers, adolescents and young persons of immature judgment and of impressionable age.
 - (d) In case of imported films, themes which are purely permissive in character and treatment and which come into direct clash with the accepted standards of morality and social values in Pakistan should be discouraged.
 - (e) The aim of the authority should be to eliminate the public exhibition of a film or any part thereof including an incident, dialogue, song or dance which is likely to:
 - (i) impair accepted moral standards and social values by glorification of vice or crime;
 - (ii) give offence to any section of the public or injure the feelings of any class of persons; or
 - (iii) hurt national sentiments.
2. In the light of the foregoing principles, a film shall be regarded as unsuitable for public exhibition if, directly or indirectly, it—
- I. Security, law and order:
 - (a) brings into contempt Pakistan or its people or tends to undermine its integrity or solidarity as an independent State ;
 - (b) violates any provisions of the Constitution or any law for the time being in force ;
 - (c) promotes or supports sedition, anarchy or violence in the country;
 - (d) leads to breach of law and order or creates sympathy for violation of laws ;
 - (e) brings into contempt the Armed Forces, Police Force or any other Force as an institution ;

- (f) portrays the Armed Forces or Police Force in derogatory uniforms or such uniforms as are not in accordance with the approved pattern ;
- (g) intends to cover up sequences predominantly consisting of violence or crime.

II. International Relation:

- (a) contains propaganda, in favour of a foreign state, bearing on any point of dispute between that state and Pakistan or against a friendly foreign state likely to impair good relations between it and Pakistan ;
- (b) portrays incident having a tendency to disparage, malign or misrepresent other nations.

III. Religion:

- (a) undermines Islam ;
- (b) ridicules, disparages or attacks any religion, sect, caste or creed;
- (c) causes, hatred or strife among religious sects, castes or creeds ;
- (d) shows ceremonies at places of religious significance such as shrines and mosques in such manner as to cause disrespect to religion ;
- (e) personifies the Prophet, Sahaba or Aemma.

IV. Immorality and obscenity:

- (a) glorifies adultery, promiscuousness, lustful passion, lewdness or excessive drinking;
- (b) presents scenes of rape; sexual act or perversion, abortion, child-birth and surgical operation beyond the limits of decency and the unavoidable demands of the plot:

Provided that this will not apply to technical or scientific documentaries meant for Specialized Audiences;

- (c) contains dialogues, songs, speeches, dances, jokes or gestures which are obviously vulgar, obscene or indecent.

V. Nudity:

displays the living human figure in the nude or in indecorous clothing in an obviously licentious manner with the intent to provoke lustful passion.

VI. Dances:

displays dances showing indecent or vulgar movements or passions.

VII. Crime;

glorifies, vice, crime, violence, black-marketing, smuggling, bribery, corruption or any other social evil.

VIII. National Sentiments:

- (a) shows disrespect to the National flag;
- (b) brings into contempt any aspect of national ideology or objective;
- (c) fans racial, sectarian, parochial linguist, regional or class hatred;
- (d) distorts historical facts, such as maligning of Pakistan, its traditions or heroes.

IX. Titles:

presents indecent, obscene or profane title or which directly or indirectly seek to focus upon or glorify notorious characters in society amounting to the commission of, or incitement to, an offence or which have the effect of conveying hatred or contempt for a certain section of the people on cultural or ethnic grounds.

X. Bestiality:

- (a) exhibits wanton cruelty to animals;
- (b) shows exaggerated horror, torture or cruelty;
- (c) portrays excessive bleeding, mutilations, chopping ; or
- (d) portrays brutal fighting and gruesome murders.

XI. Plagiarism;

plagiarize version of any other film local or foreign.

Note : This sub-paragraph shall not, however, be deemed to prohibit exceptions being made in suitable cases in the local production of well known classics or folk tales, or where the Producer of a film in one of the languages of Pakistan himself produces or authorizes another person, in writing, to produce the same film in any other language of Pakistan, or where a Producer of an old film produces a better version of his own film.

155. *Col. (R) Syed Tahir Hussain Mashhadi:
at 11.00 a.m.)

Will the Minister Incharge of the Prime Minister's Secretariat be pleased to state the details of the financial assistance, loans and other facilities provided by the Government and Commercial Banks to the earthquake affectees?

Minister Incharge of the Prime Minister's Secretariat: (i) Govt. of Pakistan, immediately after the devastating earthquake of 8th October, 2005, released Rs. 25,000 for every damaged and destroyed house and death and injury compensation @ Rs.100,000 and Rs.25,000/ Rs.50,000 respectively for the very seriously and seriously injured. Total money released on these accounts was approximately Rs.24 billion. These payments were made through Relief Commissioners of the Governments of NWFP and the State of AJ&K;

(ii) Housing damages were subsequently assessed through Assessment and Inspection Teams. Damaged houses which could be repaired were declared Retrofit-table and entitled for a compensation of another tranche of Rs.50,000 per house which has been paid;

(iii) Completely destroyed houses, as determined by the AI teams, were entitled for another payment of Rs.150,000 payable in three installments. 1st installment of Rs.75,000 was payable on determination of the eligibility, 2nd of Rs.25,000 after reaching of the construction upto Plinth level as per Seismically Resistant Design given by the ERRA and minimum constructed space of 400 Sft., and 3rd installment of Rs.50,000 on reaching the construction upto Roof level. ERRA has so far paid a sum of Rs.33.223 billion as 2nd and 3rd tranche while Pakistan Poverty Alleviation Fund (PPAF) has so far disbursed Rs.7.089 billion;

(iv) Govt. of Pakistan is also considering to write off loans up to Rs. 50,000 plus interest there on, for the affectees of earthquake in respect of HBFC & Zarai

Taraqiati Bank loans. Both the entities have been requested to obtain approval of their Boards and proceed accordingly;

(v) Govt. of Pakistan, with the help of the World Bank, has also provided Livelihood Support Cash grant of Rs.3,000 per month upto six months to the vulnerable families of the earthquake affected areas. This grant is extendable for another six months in respect of most vulnerable amongst those families;

(vi) The un-drawn balances of Housing and Livelihood Support Cash Grants available in the bank accounts were exempted from compulsory deduction of Zakat last year;

(vii) Additionally, lots of programmes have been run to include Food for Work, Cash for Work, Free distribution of seed, fertilizer, agricultural implements, livestock etc., and

(viii) Banks have provided the following facilities:

1. Bank accounts are opened even if CNIC is not available;
2. There is no restriction of maintaining minimum balances in the bank accounts;
3. There is no transaction cost for the banking transactions.

156. ***Maulana Muhammad Saleh Shah:**
11.25 a.m.)

Will the Minister for Water and Power be pleased to state whether it is a fact that load shedding is being observed in the Gomal area of Tank District, if so, its reasons and the time by which it will be done away with?

Mr. Liaquat Ali Jatoi: Usually no load shedding is carried out in Gomal area of District Tank. However, as a result of reduction in outflows from Tarbela and Mangla and shortfall in thermal capacity, load management is arranged in peak hours to save the costly equipment such as power transformers etc. from damages.

157. ***Maulana Muhammad Saleh Shah:**
11.25 a.m.)

Will the Minister for Water and Power be pleased to state whether it is

a fact that work on electric feeder for Gomal area, District Tank is in progress, if so, time by which it will be completed?

Mr. Liaquat Ali Jatoi: The bifurcation work of 11 KV Dabara Feeder (gomal area), District Tank has been completed/energized in April, 2006.

158. ***Mr. Ilyas Ahmed Bilour:** (Notice received on 03-04-2007 at 11.20 a.m.)

Will the Minister for Water and Power be pleased to state whether it is a fact that load shedding is being observed in the areas of Peshawar, Regi Lalma and Kotla Habib, Zafarabad Colony, Sub-Division Daraband, District Dera Ismail Khan, if so, its reasons and the time by which it will be done away with?

Reply not received.

159. ***Dr. Muhammad Ismail Buledi:**
09.15 a.m.)

** BPS at the time of submission of application.

160. ***Mr. Ilyas Ahmed Bilour:**

Will the Minister for Water and Power be pleased to state whether it is a fact that Messrs Siemens has recently supplied an old cycle power plant to Karachi Electric Supply Corporation on the price of new one, if so, the action taken against the supplier?

Mr. Liaquat Ali Jatoi: KESC has not procured neither M/s. Siemens has supplied an old Combined Cycle Power Plant.

162. ***Dr. Muhammad Ismail Buledi:** (Notice received on 12-04-2007 at 08.20 a.m.)

Will the Minister for Petroleum and Natural Resources be pleased to state the upgradation and reconfiguration made in respect of PARC, NRL, PRL, ARL and BOSICOR since 2001 with year-wise details?

Mr. Amanullah Khan Jadoon: The relevant year wise details are as under:—

Year	In Million Rs.		
	NRL	PRL	ARL
2001-02	194	170	164
2002-03	107	84	130
2003-04	316	134	133
2004-05	782	159	142
2005-06	352	217	201

PARCO being a new refinery which was commissioned in 2000 does not require any upgradation as yet. However, they have phased out their future development programmes.

As regards the Boticor Refinery which commenced its production in 2004, it is completing Refinery revamp at a cost of approximately Rs. 1.9 billion.

163. ***Mr. Rehmatullah Kakar (Advocate):**
at 10.30 a.m.)

Will the Minister for Water and Power be pleased to state the steps taken by the Government to protect WAPDA installations and towers of main line by security agencies?

Mr. Liaquat Ali Jatoi : For protection of key installations and grid stations, Wapda Security Guards have been deputed. However, transmission lines are being protected through regulated patrolling by maintenance staff and involving local population.

Govt. of Balochistan is also providing 200 civilian guards from the local Tribes of Bolan for security of WAPDA installation and towers of 220/132 KV transmission lines in the area of District Bolan and expenditure will be borne by WAPDA.

164. ***Mrs. Tahira Latif :**

Will the Minister for Housing and Works be pleased to state:

- (a) *the procedure prescribed for allotment of Government accommodation to the employees, and whether the allotment is made strictly on seniority basis, if not, its reasons; and*
- (b) *the number of Government employees, grade-wise, currently waiting for allotment?*

Syed Safwanullah : (a) 70% available government accommodation of each category are allotted on seniority basis from the General Waiting List (GWL) and the rest of 30% are allotted on out of turn basis on the recommendations of Out of Turn Allotment Committee (OOTAC). Allotment from GWL is being made strictly on seniority basis.

(b) At present 17321 Federal Government employees have got themselves registered in GWL for Government accommodation. The details are at Annex-I.

ANNEX-I

PRESENT POSITION OF THE GENERAL WAITING LIST

Category:	A	B	C	D	E	F	G	H	I	Total
BPS:	1-4	5-6	7-10	11-15	16-17	18	19	20	21-22

165. ***Mrs. Tahira Latif :**

Will the Minister for Housing and Works be pleased to state:

- (a) *whether there is any quota for the Prime Minister and Minister for Housing and Works for allotment of plots by the Housing Foundation; and*
- (b) *the number of plots allotted by the Housing Foundation under the Prime Minister's quota during the last five years indicating also the size of plots and names of allottees?*

Syed Safwanullah : (a) There is no such quota for the Prime Minister and Minister for Housing and Works.

(b) Not applicable.

166. ***Prof. Muhammad Ibrahim Khan :**
09.30 a.m.)

Will the Minister for Water and Power be pleased to state:

- (a) *the details of various items embezzled from the stores of WAPDA sub-division, Model Town, Sialkot during the last five years indicating also the value of those items; and*
- (b) *the names of the persons found involved in embezzlement and action taken against them?*

Mr. Liaquat Ali Jatoi : (a & b) According to WAPDA No material has been embezzled from the Store of Model Town Sub-Division, Sialkot during the last five years. So the question for inquiry does not arise.

167. ***Prof. Muhammad Ibrahim Khan :**
09.30 a.m.)

Will the Minister for Water and Power be pleased to state the number of complaints received against the officers / officials working in WAPDA sub-division, Model Town, Sialkot during the last two years indicating also the names of such officers / officials and the action taken against them?

Reply not received.

168. ***Mr. Haroon Khan :**

Will the Minister for Water and Power be pleased to state:

- (a) the loss suffered by WAPDA during the last ten years with year-wise break up;*
- (b) the estimated loss of WAPDA during the current fiscal year; and*
- (c) the sources from which the said loss was met?*

Reply not received.

169. ***Mr. Haroon Khan :**

Will the Minister of Water and Power be pleased to state:

- (a) the power generating capacity and the power consumed in the country during the last ten years with year-wise break up; and*
- (b) the projected power generating capacity and the projected demand of electricity during the next ten years.*

Mr. Liaquat Ali Jatoi : (a) Year-wise break up of power generating capacity and power consumed in the country during last 10 years is as under:—

Year	Power Generating Capacity (MW)	Units consumed I (M.KWH)
1996-97	12.964	38529
1997-98	13,808	39422
1998-99	14,957	38900
1999-00	15,338	40910
2000-01	15.550	43384
2001-02	15.765	45204
2002-03	17.215	47421
2003-04	17.300	51492
2004-05	17.350	55278
2005-06	17.400	62405

- (b) Detail of projected power generation expansion plan is at Annexure.I.

48. **Mr. Nisar Ahmad Memon:**
(p.m.)

Will the Minister for Petroleum & Natural Resources be pleased to state the number, names and location of oil fields in the country presently leased out indicating also the lease amount, date of commencement and expiry of lease, production during 2005-06 and production planned for 2006-07, 2007-08 and 2008-09 in each case?

Mr. Amanullah Khan Jadoon : Government has granted 123 leases for production of oil & gas in the country, out of which currently gas / condensate is being produced from 75 leases. The names, location, date of grant & expiry and production are given at annexure-I.

At the time of grant of lease the companies paid fee of Rs. 10,000, Rs.40,000 and Rs. 80,000 in terms of the relevant Petroleum Exploration Rules 1949, 1986 and 2001 respectively prevalent at the time of grant of lease.

Annual gas production details are as under:—

<u>Year</u>	<u>Million cubic feet per day (average)</u>
2005-06 (actual)	3836
2006-07 (estimated)	4000
2007-08 (projected)	4200
2008-09 (projected)	4500

49. **Dr. Muhammad Ismail Buledi:**
(08.20 a.m.)

Will the Minister for Petroleum and Natural Resources be pleased to state the number and names of employees of PSO who undertook foreign visits on Government expenses during the last three years indicating also the names of the countries they visited?

Mr. Amanullah Khan Jadoon : During the last three years i.e. 2005 to 2007 only one employee from PSO Mr. Shahzad Manzoor, GM (HSE & SS) visited Yogyakarta in December, 2006 at Government expenses.

However, 62 PSO officials undertook visit to different countries on company expense during the same period. The requisite information is given in Annexure-I.

56. **Mr. Rehmatullah Kakar (Advocate):**
at 14.00 p.m.)

Will the Minister for Housing and Works be pleased to state:

- (a) *the names and date of retirement of retired government employees occupying government quarters in Marton, Clayton and Jahangir Road, Karachi indicating also the quarter No., amount of monthly rent being paid for the same and reasons for retention in each case;*
- (b) *the rules under which the said quarters have been retained and the authority which allowed that retention;*
- (c) *whether there is any proposal under consideration of the Government to get those quarters vacated from the said occupants; and*
- (d) *whether there is any proposal under consideration of the Government to allow the retired government employees to retain government quarters in their occupation in sector G-6, Islamabad?*

Syed Safwanullah : (a) The details are at Annex-I. The retention, has been allowed in view of the proposal for re-development/ disposal of these quarters.

(b) The retention has been allowed in relaxation of rules provided in Accommodation Allocation Rules, 2002 with the approval of Minister for Housing and Works.

(c) The vacation is linked with the approval of the re-development plan.

(d) The survey of G-6 sector is under progress. Further action will be decided after the survey and in the light of proposed re-development plan of G-6.

(Annexures have been placed on the Table of the House as well as Library)

57. **Mr. Rehmatullah Kakar (Advocate) :**
12.55 p.m.)

Will the Minister for Housing and Works be pleased to state:

- a) *whether it is a fact that the flats constructed in Sector G-6, Islamabad were meant for allotment on proprietary rights to the allottees of government quarters in that sector and the prices of the same were also evaluated; and*
- b) *whether it is also a fact that the said flats have recently been put on the pool of Estate Office and the Estate Office is allotting the same to other government servants, if so, its reasons?*

Syed Safwanullah : (a) 200 flats have been constructed by CDA as a part of re-development plan prepared in pursuance of Cabinet decision dated 13-03-1995 for shifting equivalent number of existing occupants to these flats and to demolish the old quarters for new construction/generation of funds for the purpose.

(b) Pending finalization of the recommendations of the Ministerial Committee and keeping in view the deterioration due to non-utilization of these flats, Government has decided placement of these flats at the disposal of Estate Office for allotment to F.G. employees.

58. **Mr. Rehmatullah Kakar (Advocate):**
at 12.55 p.m.)

Will the Minister of Housing and Works be pleased to state:

- a) *whether there is any proposal under consideration of the Government to grant proprietary rights to the occupants of government quarters in sector G-6, Islamabad and Marton, Clayton and Jahangir Road, Karachi;*
- b) *whether it is a fact that a decision has recently been taken to issue certificates of eligibility in favour of the said occupants in connection with the re-development / disposal of those quarters; and*
- c) *whether it is also a fact that the said certificates have been issued in favour of occupants of government quarters in the areas of Marton, Clayton and Jahangir Road, Karachi while the same have not been issued in favour of occupants of government quarters in Sector G-6, in Islamabad, if so, its reasons?*

Syed Safwanullah : (a) This is an old demand of the allottees of the G-6 quarters and Martin, Clayton and Jehanger Road area Karachi and in the pasts, the then governments had made announcements to this effect. Legal and administrative implications are being examined of the proposal and a case will be submitted to the Federal Cabinet soon for consideration/decision.

(b) As recommended by the Cabinet Committee, a survey has been carried out about the genuine allottees/occupants for issue of certificates of eligibility for these colonies.

(c) Some certificates of entitlement have been issued at Karachi. Survey of occupant of G-6 quarters is in progress and issuance of certificates will be considered on completion of survey.

سبحان ربك رب العزت عما يصفون والسلام على المرسلين والحمد لله رب العالمين۔

[The House was then adjourned to meet again on 9th June, 2007 at 5.00PM]
