(b) Province-wise details of destruction of houses, land, buildings, crops, animals etc. are at Annex-I, II, III, IV, V, and VI.

(c) The unprecedented floods affected the entire length of Pakistan. No country, including its armed forces, has the capability and the resources required to effectively manage this kind of disaster. NDMA efforts to mitigate the effects of the current disaster include pre-emptive and post disaster action. The NDMA conducted a pre-monsoon conference to involve all stakeholders on 28 June 2010. The meeting was convened at the Prime Minister's Secretariat. The purpose of this gathering was to review preparatory measures taken by provinces and other relevant stakeholders and to urge everyone concerned to take all necessary safeguards in this regard. The first flood advisory was issued by the NDMA on 20 July 2010 to PDMA, Khyber Pakhtunkhwa, Punjab and AJK and this was followed by two other advisories on 26 and 29 July 2010.

In order to comprehensively and systematically cover the entire spectrum of the disaster, spanning from rescue and relief operations through early recovery up to reconstruction and rehabilitation, NDMA developed an initial response plan which is being followed religiously. During the first phase (rescue & relief) the Government (NDMA) in close coordination with Armed Forces, UN Agencies, Humanitarian Community, donors, NGOs/INGO is engaged in providing relief to all affected population. This phase is expected to continue till end Oct. Till 15 Sep 2010 1.4 M individuals have been rescued using helicopters and boats. Details of relief provided so far is at Annex –VII.

In order to move into the early recovery phase, NDMA is finalizing an early recovery plan with the help of UNDP in collaboration with the relevant clusters. The Early Recovery Programme, aimed at restoration of services with special focus on infrastructure and regeneration of farm based livelihood, will be run for one year. The Damage and Needs Assessment by the World Bank/ADB will be completed by September, upon the outcome of which sector wise reconstruction and rehabilitation planning would be finalized through an elaborate consultative process. This would be followed by holding donor conferences to raise funds for reconstruction and rehabilitation activities. It may be mentioned here that policy planning, resource mobilization, and monitoring and evaluation responsibility of the federal government, whereas implementation would fall in the domain of the provincial government. In this regard a comprehensive "Flood 2010 Management Strategy" has been prepared by NDMA which gives details of Relief, Early Recovery as well as Reconstruction and Rehabilitation guide lines to all the implementing agencies and partners.

(d) Summary of latest foreign assistance as of 14th September, 2010 is as under;

Grant	In Kind	Implementing Agency	Total Commitments
-------	---------	---------------------	-------------------

Committed	Disbursed	Committed	Disbursed	UN/INGO	GOP	
317.08	53.31	559.28	285.09	816.69	417.69	1233.35
