*Government decision.*—A question has been raised as to what procedure should be followed in the case of those Government servants, who are posted in Pakistan Missions abroad and desire to withdraw amount from their Provident Fund for payment of premia to Insurance Companies located in Pakistan. It has been decided in consultation with the Comptroller and Auditor General that the following procedure may be followed in the case of non-gazetted staff :—

The application regarding the withdrawal of money from Provident Fund for payment of insurance premia may be made by the Government servants concerned to their administrative Ministry, as and when the premium falls due. The administrative Ministry will ask the A.G. P.R. to issue necessary Authority for the withdrawal of the amount equal to or less than the insurance premia payable by the Government servants concerned according to the balance available in the Provident Fund as the case may be. The applicant should also execute a power of attorney in favour of some one in Pakistan who will present the premium notice from the Insurance Company to the administrative Ministry concerned which will then submit the bill for the withdrawal of the amount to the A. G. P. R. On receipt of the amount from the A. G. P. R. the administrative Ministry would disburse the amount to the holder of the power of attorney, who will make payment to the Insurance Company concerned in Pakistan, and furnish the necessary receipt for the same to the administrative Ministry.

2. As for gazetted Government servants who are posted abroad, no particular procedure appears necessary in their case. Being their own drawing and disbursing officer, such Government servants can draw the amounts of their premia from their Fund accounts through their bankers in Pakistan who can make payments to the Insurance Companies concerned.

[G.P., M.F.O.M. No. D. 344-R. 3/61, dated 30th March, 1961.]

20. (1) Government shall not make any payments on behalf of subscribers to Insurance Companies nor take steps to keep a policy alive.

(2) A policy to be acceptable under these rules shall be one effected by the subscriber himself on his own life, and shall (unless it is a policy effected by a

male subscriber which is expressed on the face of it to be for the benefit of his wife, or of his wife and children, or any of them) be such as may be legally assigned by the subscriber to the President.

*Explanation 1.*—A policy on the joint lives of the subscriber and the subscriber's wife or husband shall be deemed to be a policy on the life of the subscriber for the purpose of this sub-rule.

*Explanation 2.*—A policy which has been assigned to the subscriber's wife shall not be accepted unless either the policy is first re-assigned to the subscriber or the subscriber and his wife both join in an appropriate assignment.

(3) The policy may not be effected for the benefit of any beneficiary other than the wife or husband of the subscriber or the wife or husband and children of the subscriber or any of them:

Accordingly, Intelligence Bureau referred the case to Finance Division for endorsement as demanded by AGPR. Afterwards, the Finance Division while issuing instructions to AGPR to release the provisional pay of reinstated employees, advised Intelligence Bureau to refer the case to Anomaly Committee for guidance / clarification. Accordingly, the issue was referred to Anomaly Committee.

The advice of the Anomaly Committee has been received on 19-01-2010. In the light of advice of Anomaly Committee, Intelligence Bureau has approached the Finance Division with the request to issue further necessary instructions to AGPR to pay the monthly salaries to the reinstated employees in one scale higher.

As regards the payment of other financial benefits admissible to the reinstated employees, like the arrears for three years in three equal installments the Intelligence Bureau has requested the Finance Division to release the requisite funds. The same are yet to be provided by the Finance Division.
