"The Senate places on record and demonstrate its solidarity with the democratic government and great people of Turkey. The Senate admires, congratulates and pays its tribute to the brave people of Turkey who displayed an uncommon courage by upholding democratic norms and defeated military coup and saved their country from anarchy and civil war. It was so moving to see common Turk took to street and world witnessed that human flesh stopped steel Tanks on just a single call of their leader, President Rajjap Tayyab Erdogan. We admire all opposition political parties for their historical and unprecedented resolve to protect democracy. We stand by our brotherly country in this very defining moment of their political history and pray for those who lost their lives for a just cause of defending the future of their country."
