

RESOLUTION NO. 290

“This House strongly condemns the launching of a ballistic missile towards Makkah-al-Mukarima region on Thursday, 27th October, 2016 which fortunately was intercepted by air defence forces of the Kingdom and destroyed.

This House calls upon the OIC and United Nations Security Council to take serious notice of flouting of the in-viability of holy places which amounts to encroaching upon religious sanctities of over one billion Muslims throughout the world as stipulated in international conventions.

Representing the sentiments of the people of Pakistan and the Muslim world as a whole, This House strongly condemns such action which amount to hurting the sentiments and feelings of the Muslims.

The House urges the Government of Pakistan to reassure its full support to the Kingdom of Saudi Arabia towards the protection of the sanctity of the holy places which ties together the Muslims throughout the world.”

Moved by Senator Raja Muhammad Zafar-ul-Haq, Leader of the House.
