

RESOLUTION NO.480

"This House recommends that the Government should take immediate steps including public awareness campaign and strengthening of screening mechanism in banks to control the circulation of fake currency notes of Rs. 1000 and 5000 denominations in the country which are almost similar to the original notes and to take stern action against the criminals involved in manufacturing and circulation of the same."

Moved by Senator Mohsin Aziz.

Unanimously Passed by the Senate of Pakistan on Monday, the 25th January, 2021.

RESOLUTION NO.481

"The House expresses its grave concerns and strongly condemns the sacrilegious, misleading and deceitful information floated on search engines of Google and Wikipedia depicting Mirza Masroor as the current Caliph of Islam.

The House expresses concerns over the passive social media policy of Government leading to unchecked blasphemous and religiously misleading operational activities of non-Muslims on international social media networks and search engines in Pakistan.

The House draws the attention of the Government towards the growing incidents of Islamophobia, publication and floating of sacrilegious information regarding Islam, the Holy Quran, the finality of the Holy Prophet (SAW), ideology of Pakistan on Google, Wikipedia and other social media networks operating in Pakistan.

This House strongly demands the Government to take immediate and result oriented steps for blocking the publication and floating of blasphemous, deceitful and misleading information/contents against Islam, Islamic beliefs, principles, rituals, the Holy Quran, the finality of the Prophethood of **Hazarat Muhammad (SAW)**, the ideology of Pakistan and the social and cultural norms of Pakistan on Google, Wikipedia and other social media networks operating in Pakistan."

RESOLUTION NO.483

"The House is cognizant of the fact that Covid-19 pandemic has adversely affected education in Pakistan resulting in the closure of over three hundred thousand schools in the country since March 2020 as majority of the students do not have access to the use of smart phones, 3G / 4G wireless and internet connectivity especially in far flung areas of Pakistan.

The House recommends that in order to save the educational career of the students in all over the country, the Government should devise a comprehensive distance learning strategy containing the utilization of all technological tools available in Pakistan in collaboration with all provincial Governments."
