"The Senate of Pakistan at its emergency session on the Gaza genocide:

**STRONGLY CONDEMNS** the Israeli crimes against humanity and State terrorism being perpetrated against the innocent children, women and men of Palestine living in the occupied strip of Gaza, the World's biggest open prison;

**DECLARES** that since the Holocaust of the 2nd World War, no State has committed such mass killings, carnage and war crimes with such an unprecedented barbarity and brutality;

**REFLECTS** the sentiments of the people of Pakistan and takes pride in Pakistan's consistent commitment to the just cause of Palestine. Since such a policy which was first enunciated by the Founder of Pakistan Quaid-e-Azam Muhammad Ali Jinnah, there can, therefore, be no wavering from Pakistan's principled policy based on supporting the inalienable right of self determination of the people of Palestine and their right to an independent State of Palestine with Jerusalem as its Capital; and

**DEMANDS** an immediate ceasefire in Gaza, an end to the Israel blockade of Gaza, Full access of Gaza to all International Humanitarian Organizations so that relief
