

## **RESOLUTION NO. 568**

**"Cognizant** of the fact that the railway line and railway infrastructure in Balochistan is more than 100years old and worn out;

**Keeping in view** the insufficient railway infrastructure in that Province and the need to ensure that all the districts of the province get benefited from the development projects like CPEC etc;

**The Senate of Pakistan, therefore,** recommends that the Government should take immediate steps for allocation of special funds under PSDPs to construct the new railway line and necessary infrastructure in the province of Balochistan in order to connect and enable all districts of province to get benefited from the development projects in the province"
