

RESOLUTION NO.590.

“Today in the early hours, Israel in violation of the UN Charter and International Law, has once again committed a war crime by attacking our neighbour and brotherly country, the Islamic Republic of Iran.

Israel’s attack is a blatant violation of the fundamental principles of the UN and all international norms. It has put peace and security in the region and beyond in grave danger. Over the years, Israel has been the source of countless deaths of Muslims around the world, particularly in Occupied Palestine.

The world and Muslim Ummah are witnessing slaughter of children and civilians in Gaza for the last 2 years on an unimaginable scale. The inaction of the Muslim world against this genocide is especially troubling as it has now led Israel to attack another sovereign Muslim State, Iran.

This House jointly and unequivocally condemns Israel and its heinous crimes against Muslim Ummah, especially against brotherly nations of Palestine and Iran.

This House stands resolute with our Iranian brothers and sisters and supports their right to defend themselves against this aggression.”

Moved by Senator Mohammad Ishaq Dar, Leader of the House on his own behalf and on behalf of Senators Raja Nasir Abbas, Dr. Afnan Ullah Khan, Saleem Mandviwalla, Syed Shibli Faraz, Syed Waqar Mehdi, Shahadat Awan, Syed Masroor Ahsan, Dost Ali Jeesar, Irfan-ul-Haque Siddiqui, Khalil Tahir, Dost Muhammad Khan, Farooq Hamid Naek, Zamir Hussain Ghumro, Poonjo Bheel, Syedaal Khan, Zeeshan Khanzada, Kamran Murtaza, Jam Saifullah Khan, Rana Mahmood ul Hassan, Jan Muhammad, Abdul Wasay, Gurdeep Singh, Falak Naz, Mohammad Humayun Mohmand, Saifullah Sarwar Khan Nyazee, Danesh Kumar, Abdul Shakoor Khan, Fawzia Arshad, Pervaiz Rashid, Ashraf Ali Jatoi and Rahat Jamali Unanimously passed by the House on Friday the 13th June, 2025.
