

### **RESOLUTION NO.20**

"The Senate views with serious concern the deadlock between the Federal Government and position of at least two Provincial Governments on issue of vital economic significance at the meeting of the National Economic Council on 23rd May, 1989 resulting in a crisis between the relations of the Federal Government and the said Provincial Government.

The Senate requests the Federal Government to immediately call a meeting of the Council of Common Interests to consider the issues that come within its purview failing which, and if so required the Senate requests the President of Pakistan to summon a Joint sitting of the Majlis-e-Shoora (Parliament) to issue appropriate directions under clause 4 of Article 154 of the Constitution."

Moved by Senator Prof. Khurshid Ahmed,  
Unanimously Passed by the House on 28<sup>th</sup> May, 1989
