

RESOLUTION NO.91

"The Senate of Pakistan places on record a deep sense of sorrow and grief on the devastating earth quake in the Sichuan Province of China resulting in the death of ten thousand people and injuries to about twelve thousand Chinese. It is indeed a great shocking and devastating incident and the Senate of Pakistan associates itself with the people of China in this tragedy. The Pakistan China friendship has stood the test of time and at this hour of grief and sorrow the Senate and the people of Pakistan fully sympathises with the Government and people of China. The Senate urges upon the Government of Pakistan to help and stand by the people of China in this tragic hour and should come forward with every help and sympathy towards the people of China. The Senate assures the people of China that they are with them and shall always stand by them in every hour of trial and grief. These sentiments of the Senate of Pakistan may be conveyed to the Government of China."
