- Strongly condemns the missile attacks by US drones in Pakistani territory resulting in immense loss of life.
- Emphasizes that such attacks are most unfortunate and constitute a gross violation of our national sovereignty and territory.
- Underlines that continued incursions into Pakistan’s territory are harming the Government’s efforts to seek political solution through dialogue.
- Regards such steps as efforts to undermine Parliament’s unanimous resolution.
- Declares that attacks inside Pakistan territory are unacceptable and the Government should take more effective measures to stop them.
- Calls upon the Government to convey Pakistan’s strong protest to the US and NATO/ISAF authorities and seek assurances for full respect of Pakistan’s sovereignty.”
