

RESOLUTION NO.109

This House commends the Resolution adopted unanimously by the 123rd Inter-Parliamentary Union in its meeting held in Geneva on 6th October, 2010 which inter-alia urged upon the international community, in particular donor countries, International financial institutions including IMF, World Bank and ADB and relevant organizations to extend full support and assistance to the Government of Pakistan in its efforts to mitigate the adverse impacts of the devastating floods in Pakistan displacing nearly two million people, causing huge physical damage and economic losses, to take swift-measures such as writing off and/ or rescheduling Pakistan's debt, providing market access to revive Pakistan's economy and investing in the rehabilitation and reconstruction projects for the flood stricken areas of Pakistan.

The House resolves that all efforts be made to secure implementation of the aforesaid Resolution of the IPU aimed at mitigating suffering of the flood affecties and for accelerating rehabilitation and reconstruction process. The Chairman Senate is authorized to take all necessary steps to achieve the objects of the Resolution for the benefit of the people of the country.

Moved by Senator Nayyar Hussain Bukhari,
Unanimously Passed by the House on 2nd November,
2010
