

RESOLUTION NO.122

“It is the unanimous recommendation of this House that the Federal Government take immediate steps to provide, move and install two water distillation plants to Gawader in order to provide drinking water to the drinking water deprived people of the area.

It is further recommended that the Federal Government arrange potable drinking water by means of tankers etc so that the people are granted immediate relief and sufficient drinking water is provided immediately to the areas of Gawader where drinking water is not available.

The Federal Government should allocate sufficient funds to bear the cost of all these immediate measures.

The Federal Government on its own or in conjunction with the Provincial Government initiate immediate schemes to provide clean and hygienic drinking water to the people of this area.”
