

RESOLUTION NO.144

“The House recommends that the Government may take effective steps to implement the international obligations of the Federal Government regarding global warming and to control environmental pollution in the country. The Federal Government may facilitate provincial governments to observe the international standards specified by the United Nations relating to tree plantation, disposal of waste, protection of sea, rivers, canals, creeks and lakes from waste, protection of forests and control pollution of all types in their areas.”

Moved by Senator Karim Ahmed Khawaja,
Unanimously Passed by the House on 26th August,
